CITY MANAGER RESPONSE TO COMMUNITY MATTERS (FROM PREVIOUS MEETINGS)

Mr. Murphy followed up on matters from the March 18, 2019 meeting:

1) Benches on the downtown mall. He advised that he has received questions and feedback from people downtown and he will follow up with them on April 8 to advise of where the dozen or so benches could be potentially located.

2) Regarding concerns for the proposed route change for the Downtown Trolley, the next step would be to post the proposed changes for a period of 14 days for public comment, and the process should be initiated by the Traffic Engineer and underway.

3) Regarding the Vietnam Veterans Memorial, staff are working on wayfinding signs and general public parking signs have been installed. Staff are looking to install additional signage that designates parking at cars, and adding benches along the pathway to the memorial. Staff received a quote for the paving of lot, and Mr. Murphy has authorized Mr. Daly to move forward with the purchase order on that service. There will be some accessible parking at the location, and a form was developed that could be used for reserving a ride to the memorial by Polaris or large golf cart. Mr. Murphy will follow up with more details at a later Council meeting.

4) There have been a number of questions and letters from environmental groups that will be addressed at the May 6th meeting. The City Treasurer has been asked to make a presentation about investment of retirement funds and the possibility of divestment.

5) A question from the last meeting asked when changes were made in Internal Affairs. Mr. Murphy advised that the changes happened at the point of promotions and reassignment of staff on January 14.

6) Mr. Murphy addressed the issue raised by Ms. Katrina Turner regarding language in her official determination from Chief Brackney. He had copies of the last two letters sent to Ms. Turner along with a letter dated today that corrects the language from "video" to "photo".

Dr. Bellamy advised that he has been approached by several people who oppose the bus route changes. Ms. Walker suggested trying the route and then giving feedback. Mr. Murphy advised that he has received feedback on both sides of the route change issue. Ms. Galvin asked whether the bus route changes are a pilot. Mr. Murphy advised that it could be done as a pilot, but a lot of factors go into implementing the changes. Ms. Galvin asked for future feedback. Mr. Murphy advised that a trial period would be from May through November and a placeholder would be put on the first November meeting.

Ms. Galvin asked about benches on the downtown mall. She asked about the Vietnam Memorial, and why there could not be a parking lot put closer to the park. Mr. Murphy advised that there are multiple complications that affect access to the Memorial and that the City is doing everything it can to provide reasonable accommodations. Ms. Galvin asked that the full extent of challenges be shared with those who have raised concerns.

COMMUNITY MATTERS

Ms. Tara Mincer, County resident, shared information about Spread the Vote Project ID,

Ms. Abigail Greene, City resident, spoke in support of tax increases across the board to support affordable housing.

Ms. Nancy Carpenter spoke in support of Spread the Vote Project ID. She also spoke about the commitment that Council has made to affordable housing. She mentioned a concern that there seems to be no comprehensive housing strategy, and that many long-time residents are in jeopardy of losing their homes.

Mr. Walt Heinecke, City resident, ceded his time to Elaine Poon from the Charlottesville Low Income Housing Coalition, who spoke in support of a real estate tax increase or whatever it takes to deepen the tax relief program.

Ms. Annie Stup of the Charlottesville Low Income Housing Coalition spoke in favor of fully funding all housing needs across the spectrum, fully funding the affordable housing fund and finding a permanent long-term source of revenue to fund affordable housing for years to come. She spoke in favor of increased real estate taxes, expanded tax relief for low income homeowners, and using the property tax relief to get around State issues. She advised that higher and middle income residents could afford to pay more in taxes.

Ms. Walker shared information about tax relief increases that have been made.

Ms. Rebecca Quinn, resident, spoke about the Rivanna Water and Sewer Authority report on the agenda. She objected to the flow of water being characterized as “somewhat below the five year average”. She advised that the fact that less water is being used despite increased population is attributed to conservation efforts. She would like to ask the City Utilities Department to advise what they have done to limit infiltration, which is important for keeping costs down. She recommended composting as an alternative to recycling. She mentioned another option for landlords regarding taxes.

Ms. Walker confirmed with Mr. Murphy that the value of the rental assistance program has doubled.

Ms. Robin Hoffman spoke about CPA-TV, and her experience learning about television production with Cal Tate. She advised that there are about 100 spots, but only 12 have been occupied for the last few years. She gave ideas for shows that could be helpful with affordable housing efforts.

Ms. Andrea Massey, City resident, expressed interest in the 1-1-1 tax increases. She advised that she wants to have her taxes raised to help the City and this problem needs a long-term solution.

Mr. Michael Payne, City resident, echoed the previous speaker's comments. He spoke of the legacy of the current City Council, which includes seeds for future progress. He spoke in support of Charlottesville Low Income Housing Coalition recommendation, funding the Charlottesville Affordable Housing Fund, rent relief, real estate tax relief for five to ten years. He asked Council to ensure a stable revenue stream over a multi-year commitment. He expressed concern about staff capacity to complete zoning reform or to help the Housing Authority with redevelopment in public housing.

Ms. Anna Malnowski, County resident working in City, spoke on behalf of SURGE, in partnership with CLIHC, supporting permanent solutions to the affordable housing crisis – specifically raises in the real estate tax. She voiced concerns about business owners needing to pay workers more. She mentioned that the wealthy should pay their fair share. She advised that housing justice is racial justice.

Ms. Tanisha Hudson advised that people who can afford to eat out can afford to pay additional meals tax. She thanked Mr. Murphy for handling the bench issue on the mall. She addressed Ms. Galvin regarding comments from business owners about where benches would be located. Regarding a parking lot or bridge for the veterans memorial, she advised that there are ways to access the park without spending money for a parking lot. She spoke in favor of the lodging tax increase since hotels are always sold out on weekends. She advised that the real estate tax increase is necessary, but needs to support an increase in tax relief for people who have traditionally been left out.

Ms. Katrina Turner told Council of an elderly long-term neighbor whose house is in danger of going into foreclosure because of under \$3000 in real estate taxes. Ms. Walker asked her to send the neighbor's information for followup. Ms. Turner asked Mr. Murphy about another complaint that was filed on the Chief of Police. Mr. Murphy advised that a letter was sent via certified mail and he could have it printed tonight.

With additional space on the speakers list, Mr. Walt Heinecke, City resident, thanked Council for their commitment to affordable housing evidenced by raising the meals and lodging taxes. He spoke in support of public television and in support of the skateboard park. He spoke as an advocate for fixing the stop & frisk problem in the City, and added expressed thanks for the Police Chief and Department handled the recent threat to Schools.

Ms. Rosia Parker asked Mr. Murphy about response to stop at 8th & Main Street. Mr. Murphy advised that he has spoken with the Traffic Engineer repeatedly and all of his recommendations were implemented; however, rapid flash beacons were not recommended. Mr. Murphy suggested having Mr. Duncan, Traffic Engineer, come to the next meeting with pictures.

Ms. Elliott expressed thanks to Mayor Walker for her response to Ms. Turner's concern.

Aria spoke about being a newcomer to the City and advised that she began transitioning about 4 months ago. She expressed appreciation for the welcoming culture of the City for the LGBTQ community.

Ms. Walker recessed the meeting at 7:51 p.m.

The meeting reconvened at 8:07 p.m.

PUBLIC HEARING/RESOLUTION: Lease Agreement with Verizon for Communications Equipment in Market Street Garage

Lease Agreement with Verizon for Communications Equipment in Market Street Garage

Mr. Blair introduced the item, advising that Council would need to vote on one of two resolutions – one of which offers a discounted lease rate. Mr. Engel's report advised that he was not able to locate a market rate study to verify market conditions that justify lowering Verizon's lease rate.

Ms. Galvin asked for clarification of whether there is any policy requiring third party review of market rate. Mr. Blair advised that for these types of facilities, the Council could set a policy to require a third party review. State legislature did mandate that certain small cell facilities on certain facilities such as utility poles, the City has to allow. Mr. Engel's recommendation is to keep the rate at \$9000 per month.

Mr. Murphy added that when Verizon approached the City six years ago, they proffered the amount of \$9000 per month, which the City accepted without negotiation.

Ms. Lori Schweller, attorney with Williams Mullen, representing Verizon Wireless, offered additional information about the request for the five year lease, advising that rents have gone down.

Ms. Walker opened the public hearing.

With no one coming forward to speak, Ms. Walker closed the public hearing.

Ms. Walker and Ms. Galvin advised that they would need more information to justify the decrease. Ms. Galvin added that she would be interested in having a third party review the information as the information came from the applicant.

On motion by Ms. Hill, seconded by Ms. Galvin, PUBLIC HEARING/RESOLUTION B: Lease Agreement with Verizon for Communications Equipment in Market Street Garage was Approved. (Ayes: Dr. Bellamy, Ms. Hill, Ms. Walker, Mr. Signer, Ms. Galvin; Noes: None.)

RESOLUTION
APPROVING LEASE OF PROPERTY
ON THE MARKET STREET PARKING GARAGE
TO CELLCO PARTNERSHIP (T/A VERIZON WIRELESS)

WHEREAS, Cellco Partnership, trading as Verizon Wireless ("Verizon"), proposes to renew and amend its existing lease of certain property on the Market Street Parking Garage structure, for the purpose of installing telecommunications equipment ("Lease");

WHEREAS, City Staff and Verizon negotiated terms and conditions for the original 2014 Lease, and Verizon proposes a 2019 Lease with a reduced annual rent of \$7,650.00, but in all other aspects having the same terms and conditions as negotiated in 2014, all as set forth within the draft proposed Lease Agreement submitted for City Council's consideration at a public hearing duly advertised and conducted on April 1, 2019; and

WHEREAS, upon consideration of the recommendations of staff and of the terms and conditions of the proposed Lease Agreement, this Council finds that the proposed Lease Agreement is in the public interest, will promote the public welfare, safety and convenience, and will promote economic development and tourism in Downtown Charlottesville; however, City Council does not find that the requested reduction of annual rent is satisfactory and mutually advantageous, and Council as compared with the current annual rent of \$9,000.00;

Mr. Murphy presented Council's Proposed Budget for FY2020, including the Annual Tax Levy and Annual Budget Appropriation for FY2020.

He advised that new funds were received from the State for Constitutional Officers, and the City experienced savings of over \$800K in expenditures. These funds would be added to Charlottesville Housing Assistance Program and rent relief program, with enough to meet obligations for those in CHAP as well as those on the waiting list.

Mr. Murphy reviewed proposed uses for FY19 surplus.

He reviewed the remaining Budget Calendar: April 8 budget approval.

Councilors thanked all staff involved in the budget process.

Ms. Walker opened the public hearing:

Ms. Vickie Bravo, City resident, representing IMPACT, applauded efforts to support affordable housing. She requested \$1.55M in CAHF and a permanent revenue stream.

Mr. Michael Payne advised that there is a lot to celebrate in the budget, and asked for long-term planning with the budget, specifically regarding the Capital Improvement Plan projects, school modernization/expansion and City staff requests.

Mr. Walt Heinecke, City resident, echoed positive comments about the budget and asked for long-term planning/strategy to support affordable housing. He asked Council to think about how land acquisition could help.

Mr. Jake Mooney, City resident, advised that he did not hear an explanation of how the \$850K was found in the budget. He expressed concern about not raising taxes.

Ms. Walker closed the public hearing.

Mr. Blair advised that no vote was needed and that a vote would take place on April 8.

Ms. Galvin recapped budget worksession questions and decisions from March meetings.

Ms. Walker added that her commitment is there. She is committed to creating policies that are not harmful to low income homeowners.

ORDINANCE Annual Tax Levy for CY 2019 (carried)

The public hearing for this item was held on March 18, 2019. There was no additional presentation and no discussion.

APPROPRIATION Annual Budget Appropriation for FY2020 (carried)

The public hearing for this item was held on March 18, 2019. There was no additional presentation and no discussion.

Ms. Walker advised that on April 8th, she will call in to the meeting to vote on the budget.

REPORT: Rivanna Water & Sewer Authority (RWSA) Quarterly Update

Rivanna Water & Sewer Authority (RWSA) Quarterly Update

Mr. Bill Mawyer, Executive Director of the Rivanna Water & Sewer Authority and the Rivanna Solid Waste Authority, gave a presentation. He advised that the reservoirs have plenty of water and that recycling is for #1 and #2 plastics only. Plastics 3-7 are not getting enough value for the effort. They will monitor market and maximize all systems. He showed two short videos of two of the major capital projects: 1) South Rivanna Water Treatment Plant; and 2) Observatory Mountain Water Treatment Plant (Ragged Mountain Reservoir) on the property of University of Virginia. These projects are planned to move forward at the end of the year, with a

completion date scheduled for 2023. They are in negotiation with UVA to renew the 99 year lease.

Ms. Hill asked about the strategy for adding capacity that may not be needed. Mr. Mawyer advised that capacity has to be planned well in advance and long-range planning is necessary. He explained that extreme weather events have been more frequent than in past decades as well.

Ms. Walker asked how UVA fits into the equation of the 2003 agreement with the City and County. Mr. Murphy advised that UVA is a customer of the system and have their own infrastructure. Ms. Walker asked about the comfort level with previous agreements. Mr. Mayer advised that rent with UVA is a topic of negotiation.

Mr. Signer asked about the City's fiduciary role with large capital projects. Mr. Murphy advised that the City places three people on the Water and Sewer side of the Board. There is a lot of scrutiny and an annual audit. The Authority follows the Virginia Public Procurement procedures and there are other measures in place. They are focused on being value-added and not just low cost.

Ms. Galvin added that the public has weighed in on projects to ensure quality and safety.

Ms. Walker asked about recycling of plastics #3-7, and how they came across information that these plastics were not being recycled as expected. Mr. Mawyer advised that this is related to China no longer accepting certain plastics. He advised that the recycling program loses several hundred thousand dollars every year. Ms. Walker asked a question about landfill versus recycling. Mr. Mawyer advised that there has been a Transfer Station in place for years because the City does not landfill since the 1980s. The waste is transferred to Amelia County, which was the low bidder.

Ms. Galvin asked Mr. Mawyer to explain why solar power could not be put on the landfill. He advised that Virginia Power did not accept the project.

Title:	Virginia Fire Equity & Diversity Conference - \$50,000

Background:

At the invitation of the Virginia Department of Fire Programs' Virginia Fire and Emergency Services Equity and Diversity Association, Charlottesville Fire Department (C.F.D.) has agreed to serve as the host of the 2019 Virginia Fire Equity and Diversity Conference, October 1 – October 4, 2019. C.F.D., through the Virginia Department of Fire Programs (V.D.F.P.), anticipates receiving a \$15,000 - \$20,000 *Conference and Education Assistance Grant* to partially fund the conference. C.F.D. anticipates receiving an additional \$35,000 in revenue from conference registration fees.

Discussion:

Charlottesville Fire Department will host the 2019 Virginia Fire Equity and Diversity Conference at the Omni Hotel in downtown Charlottesville 10/1/19 – 10/4/19. C.F.D. was honored to be asked to host the Equity and Diversity Conference and department personnel hope to use this opportunity to contribute to the advancement of equity and diversity in the fire service. By bringing together high quality speakers and interested public safety personnel from across the state we will create a unique opportunity for discussion, learning, and skill building around a variety of topics directly related to equity and diversity across a spectrum characteristics - including race, gender, religion, and sexual orientation.

Alignment with City Council's Vision and Strategic Plan:

Approval of this agenda item aligns directly with Council's vision for Charlottesville to be a Community of Mutual Respect and supports the City's commitment to racial and cultural diversity, inclusion, racial reconciliation, and equity. It also contributes to Goals 2 & 5 of the Strategic Plan – A Health and Safe City, and A Well-managed and Responsive Organization. Organizations thrive when their employees experience a culture of inclusion and respect, as well as equal opportunities for advancement.

Community Engagement:

The target audience of the Equity & Diversity Conference are public safety personnel, however, it is the intention of the conference planning committee to identify ways to engage youth that are from populations traditionally underrepresented in the fire service. We hope to leverage this opportunity to help community members better understand the profession of “firefighter” and to see it as a viable career option once they graduate from high school.

Budgetary Impact:

It is anticipated that the Virginia Fire Equity and Diversity Conference will be funded entirely through grant funds from V.D.F.P. and conference registration fees. Any gap in funding will be covered through the Charlottesville Fire Department’s previously approved operating budget. The funds will be appropriated, received, and expensed in the Grants Fund. At the close of the project, any remaining funds received through registration fees will be transferred to the next host city or to the Virginia Fire and Emergency Services Equity and Diversity Association. Any remaining grant funds will be returned to the Virginia Department of Fire Programs.

Recommendation:

Staff recommends approval and appropriation of funds.

Alternatives:

If money is not appropriated, C.F.D. will be unable to effectively manage the financial responsibilities of hosting the Virginia Fire Equity and Diversity Conference.

Title:	Virginia Housing Solutions Program Grant Award - \$27,728.46

CITY COUNCIL AGENDA**

Agenda Date:	April 1, 2019
Action Required:	Appropriation of Grant Funds
Presenter:	Hollie Lee, Chief of Workforce Development Strategies
Staff Contacts:	Hollie Lee, Chief of Workforce Development Strategies
Title:	Virginia Department of Social Services (V.D.S.S.) Employment for Temporary Aid to Needy Families (T.A.N.F.) Participants Grant (2nd Renewal) - \$58,824

Background:

In 2017, the City of Charlottesville, through the Office of Economic Development (O.E.D.), received a matching grant for \$50,000 from the Virginia Department of Social Services in order to provide workforce development training to individuals residing in the City of Charlottesville living at or below 200% poverty. The grant required a 15 percent match of local dollars, with funding being used for workplace readiness/productivity skills training, specific technical training, and/or supportive services required for employment (e.g., childcare, transportation, rental assistance, etc.). One hundred percent of the funds will be expended between July 1, 2018 and June, 30 2019. Funding for the local match in the amount of \$8,824 will be from the Workforce Investment Fund account in the CIP. Thus far during this fiscal year, grant funds have been used to support individuals in Growing Opportunities (GO) programs, such as: GO Driver, GO Cook, GO Solar, and GO Tech.

V.D.S.S. has agreed to renew the grant to the O.E.D. for the new fiscal year (July 1, 2019 to June 30, 2020) in the same amount of \$50,000. The O.E.D. will once again match the grant in the amount of \$8,824 from the Workforce Investment Fund. Funding will be used for the same purpose as the original grant (training programs and supportive services).

Discussion:

In July 2013, the City's Strategic Action Team on Workforce Development (S.A.T.) issued a report to City Council entitled, *Growing Opportunity: A Path to Self-Sufficiency*. The report, which was subsequently endorsed by Council, examines the barriers to employment for low-income City residents and makes recommendations on how to address these barriers. One of the recommendations is to "work to ensure that training programs align with the needs of new and existing businesses."

In an effort to make progress towards this recommendation, the O.E.D. has been actively engaged in developing jobs-driven workforce development training programs in partnership with local employers. The flagship program, GO Driver, has been conducted ten times and trains City residents to get their Class B Commercial Driver's License and become Relief Transit Bus Operators with Charlottesville Area Transit (CAT) and/or Pupil Transportation at a rate of \$15.97 per hour. In

addition to technical training, GO programs also include assistance with supportive services such as rental assistance, car repair, exam fees, etc. These costs, which average about \$200 per participant, are also included as part of the programming. Other programs, such as GO Cook, GO Solar, and GO Tech has been funded using the grant.

Alignment with Council Vision Areas and Strategic Plan:

This effort supports City Council’s “Economic Sustainability” vision and aligns directly with the SAT’s *Growing Opportunity* report that was approved by City Council in 2013.

It also contributes to the following goals and objectives in the City’s Strategic Plan:

Goal 4: A Strong, Creative and Diversified Economy

- Objective 4.1: Develop a quality workforce

Goal 1: An Inclusive Community of Self-sufficient Residents

- Objective 1.2: Prepare residents for the workforce

It aligns with Chapter 3 on Economic Sustainability in the Comprehensive Plan, and more specifically Goal 6, which focuses on workforce development and being an effective partner in creating a well-prepared and successful workforce.

Community Engagement:

Like practically all of the City’s workforce development efforts, its employment training programs are supported by numerous community agencies and organizations. Examples include: Albemarle County, Piedmont Virginia Community College, Network 2 Work, Virginia Career Works – Charlottesville Center, and employer partners. None of the work that is currently being done could be possible without this strong community engagement.

Budgetary Impact:

The required match of \$8,824 will come from previously appropriated Capital Improvement Program funds in the Workforce Investment Fund account.

Recommendation:

Staff recommends approval and appropriation of grant funds.

Alternatives:

If grant funds are not appropriated, more local dollars will have to be used for training or fewer low-income, underemployed City residents will be able to be trained.

Presenter:	John Blair, City Attorney
Title:	MMI Atlantic, LLC, Telecommunications Franchise

Background:

MMI Atlantic, LLC, (hereinafter “MMI”) is requesting a five year franchise agreement with the City of Charlottesville. MMI is building a long haul fiber optic network in cooperation with the Virginia Department of Transportation (VDOT) within public right-of-way on U.S. Highway 29. The network will begin in Ashburn, Virginia and head south along Highway 29 to the Charlottesville City limits. The network path will have 2 miles located within Charlottesville. This network will continue within VDOT right-of-way to the Virginia-North Carolina border. MMI will provide the City the use of a micro-duct within its running line network inside the City limits.

Discussion:

The proposed franchise ordinance contains substantially the same terms as the model Telecommunications franchise ordinance developed by the City Attorney’s Office and used in other franchises granted by the City. The purpose of the franchise will not change. In accordance with the franchise terms, MMI is prepared to comply with the bonding and insurance requirements set forth in the agreement.

Additionally, MMI has agreed to provide the City with a micro duct located within the 2 miles of the City utilized for its fiber optic network. The City may use this micro duct for any City fiber optic needs.

Budgetary Impact:

The proposed franchise has no anticipated budget impact. However, the franchise agreement reserves the right to impose a public right-of-way use fee as allowed by Virginia law through the passage of an ordinance providing for such fee.

Recommendation:

Approve the renewal of the franchise agreement.

Alternatives:

Council may decline to adopt the ordinance and decline to enter into the franchise agreement with MMI Atlantic, LLC.

- (b) the traffic volume carried by the Public Rights-of-Way; the character of the neighborhood surrounding the right-of-way;
- (c) the pre-excavation condition of the Public Rights-of-Way and its remaining life expectancy;

502.2 TEMPORARY SURFACING: The Company shall perform temporary surfacing patching and restoration including, backfill, compaction, and landscaping according to standards determined by, and with the materials determined by, the Director .

502.3 TIMING: After any excavation by the Company pursuant to this Ordinance, the patching and restoration of the Public Rights-of-Way must be completed promptly and, in a manner, determined by the Director.

The previous statement notwithstanding, the Company will guarantee and maintain plantings and turf for twelve (12) months. During these maintenance periods, the Company shall, upon notification by the City, correct all restoration work to the extent necessary, using the method determined by the Director. Such work shall be completed after receipt of notice from the Director,

within a reasonably prompt period, with consideration given for days during which work cannot be done because of circumstances constituting force majeure. Notwithstanding the foregoing, the Company's guarantees set forth hereunder concerning restoration and maintenance, shall not apply to the extent another company, franchisee, licensee, permittee, other entity or person, or the City disturbs or damages the same area, or a portion thereof, of the Public Rights-of-Way.

502.5 DUTY TO CORRECT DEFECTS: The Company shall correct defects in patching, or restoration performed by it or its agents. Upon notification from the City, the Company shall correct all restoration work to the extent necessary, using the method determined by the Director. Such work shall be completed after receipt of the notice from the Director within a reasonably prompt period, with consideration given for days during which work cannot be done because of circumstances constituting force majeure.

502.6 FAILURE TO RESTORE: If the Company fails to restore the Public Rights-of-Way in the manner and to the condition required by the Director pursuant to Section 502.5, or fails to satisfactorily and timely complete all restoration required by the Director pursuant to the foregoing, the City shall notify the Company in writing of the specific alleged failure or failures and shall allow the Company at least ten (10) days from receipt of the notice to cure the failure or failures, or to respond with a plan to cure. In the event that the Company fails to cure, or fails to respond to the City's notice as provided above, the City may, at its election, perform the necessary work and the Company shall pay to the City its reasonable costs for such restoration within thirty (30) days of billing accompanied by an itemized statement of the City's reasonable costs. If payment is not received by the City within the thirty (30) day period, the City Attorney may bring an action to recover the reasonable costs of the restoration and reasonable attorney's fees in a court of competent jurisdiction pursuant to Section 56-467 of the Virginia Code. Reasonable costs may include, but are not limited to, administrative, overhead mobilization, material, labor, and equipment related to such restoration.

502.7 DAMAGE TO OTHER FACILITIES WITHIN THE PUBLIC RIGHTS-OF-WAY: The Company shall be responsible for the cost of repairing any Facilities existing within the Public Rights-of-Way that it or the Facilities owned by the Company damage. If the Company damages the City's Facilities within the Public Rights-of-Way, such as, but not limited to, culverts, road surfaces, curbs and gutters, or tile lines, the Company shall correct the damage within a prompt period after receiving written notification from the City. If the Company does not correct the City's damaged Facilities pursuant to the foregoing, the City may make such repairs as necessary and charge all of the reasonable costs of such repairs within thirty (30) days of billing accompanied by an itemized statement of the City's reasonable costs. - (e) verification that the policy has a combined single limit coverage of not less than two million dollars (\$2,000,000).

The policy shall include the City as an additional insured party, and the Company shall provide the City Attorney with a certificate of such coverage before execution of this franchise.

603.2 The Company shall also require similar indemnification and insurance coverage from any contractor working on its behalf in the public right-of-way.

SECTION 604 NEGLIGENCE AND INTENTIONAL ACTS

The Performance Bond shall be maintained at this amount through the term of this franchise.

SECTION 702 CHANGED AMOUNT OF THE PERFORMANCE BOND

At any time during the Term, the City may, acting reasonably, require or permit the Company to change the amount of the Performance Bond if the City finds that new risk or other factors exist that reasonably necessitate or justify a change in the amount of the Performance Bond. Such new factors may include, but not be limited to, such matters as:

The City shall schedule its review of such request to be held within forty-five (45) days of receipt of such request from the Company. The City's decision on the Company's appeal shall be in writing and supported by written findings establishing the reasonableness of the City's decision. During the pendency of the appeal before the City or any subsequent appeal thereafter, the Company shall place any such fee or penalty in an interest-bearing escrow account.

Nothing herein shall limit the Company's right to challenge such assessment or the City's decision on appeal, in a court of competent jurisdiction.

**CITY OF CHARLOTTESVILLE, VIRGINIA
CITY COUNCIL AGENDA**

Agenda Date:	April 1, 2019
Action Required:	Approval of York Property, LLC Commercial Lease Agreement and The Ryal Thomas Show, LLC License Agreement
Presenter:	Brian Wheeler, Director of Communications
Staff Contacts:	Brian Wheeler, Director of Communications
Title:	CPA-TV/York Property Lease Agreement and The Ryal Thomas Show, LLC License Agreement

Background:

Charlottesville Public Access Television (CPA-TV) has been proudly serving the Charlottesville community for over 40 years by offering a voice to citizens and organizations alike. CPA-TV began broadcast operations at Adelphia Cable studios on West Main Street and enjoyed a lengthy residence at Charlottesville-Albemarle Technical Education Center (CATEC) for many years thereafter. In 2013, CATEC ended its lease agreement with the City, leaving CPA-TV to secure a new location to base its operations.

In 2014, the Charlottesville Fire Department executed a Memorandum of Understanding with the City's Office of Communications to provide studio space for CPA-TV community broadcast productions and producer training at 460 George Dean Drive, which the Fire Department leases from the Virginia Department of Forestry. The City pays \$18,900 in annual rent for two buildings and a shed at that location and the current lease is month-to-month.

Although residing at this location over the last few years has been critical to the continuation of public access operations, the distance of the studio from accessible bus routes, along with poor exterior lighting, have proved challenging and a safety concern for community producers. As a result, producer membership and community programming have declined.

In February 2019, The Ryal Thomas Show, LLC approached Communications staff with a proposal that would facilitate CPA-TV's move to a studio location on the Downtown Mall that would provide a more visible and accessible venue for the community. The partnership proposed by Mr. Thomas would entail the City leasing space on the Downtown Mall for a new Charlottesville Community Media Center. The property under consideration is located at 112 West Main Street, inside York Place. Mr. Thomas, in turn, would pay a monthly fee to the City, equal to the monthly rent, in exchange for priority access to the City's space and broadcast equipment, which Mr. Thomas would use to produce a commercial television program that he is currently developing.

Discussion:

A new venue on the Charlottesville Downtown Mall would give the City of Charlottesville a cost-effective way to transform our CPA-TV studio space, attract new users, and increase community engagement. Our Franchise Agreement with Comcast designates three stations for our use as public access, education and government programming.

With proceeds from the PEG Access Support Fee collected by Comcast, the Communications Department has completed significant upgrades in Council Chambers and for remote broadcasts of Council meetings that have greatly improved the programming on government access (Ch. 10). We have an equipment upgrade in progress at Charlottesville High School, which will improve the broadcasts of School Board meetings from that location (Ch. 14). The next goal is to take full advantage of Ch. 13 by opening a new studio and rebranding Charlottesville Public Access as the Charlottesville Community Media Center.

Since February 2019 there have been several meetings to discuss potential agreements between York Property, LLC, The Ryal Thomas Show, LLC and CPA-TV.

On February 25, 2019, staff from Communications and the City Attorney's office met to discuss the possibility of a lease arrangement between CPA-TV, Mr. Thomas, and York Property. It was determined that the best option would be for the City to position itself as lease holder with York Property and create a license agreement with Mr. Thomas that would allow him to use studio equipment in exchange for a monthly fee.

On March 1, 2019, staff from Communications, City Attorney's office, and Mr. Thomas met to discuss CPA-TV license agreement details and began to draft the agreement.

On March 4, 2019, staff from Communications, City Attorney, IT, Risk Management, and Public Works met to inspect and assess the property at York Place and determined that the location would be suitable for CPA-TV operations.

On March 25, 2019, staff from Communications, City Attorney's office, and Mr. Thomas met to finalize details of the CPA-TV license agreement with The Ryal Thomas Show, LLC. The license agreement draft was approved by all parties.

Alignment with City Council's Vision and Strategic Plan:

Providing CPA-TV a home on the bustling Downtown Mall supports City Council's C'ville Arts and Culture vision. The agreement put forth would directly support Goal 5 of the City's Strategic Plan of being a Well-Managed and Responsive Organization by integrating effective business practices and fostering community engagement.

Community Engagement:

CPA-TV community producers are excited about the potential move to the Downtown Mall. The high visibility of York Place and ease of access would make this an ideal move for CPA-TV and its members.

Communications staff is also in the process of upgrading CPA-TV operations, developing specialized training modules for community members, and rebranding Charlottesville Public Access as the *Charlottesville Community Media Center*.

Budgetary Impact:

The total annual lease amount to be paid to York Property is \$19,956 (not including utilities) which breaks down to \$1,663 per month, or about \$1,000 more per year than the current lease at the Virginia Department of Forestry site

According to the license agreement with The Ryal Thomas Show, LLC, Mr. Thomas agrees to make regular monthly payments to the City (totaling the lease amount due) in exchange for access to studio equipment for his personal commercial programming. Mr. Thomas' payments would offset the annual cost of the lease.

The City would be required to pay utility fees that would average \$150–\$200 a month, totaling around \$1,800–\$2,400 a year.

Recommendation:

Staff recommends that City Council approve the York Property, LLC lease agreement along with the license agreement with The Ryal Thomas Show, LLC for the term of one year.

Alternatives:

The Charlottesville Fire Department is looking to end its month-to-month lease with the U.S. Department of Forestry and move its administrative work done there to Ridge Street Fire Station. Once that occurs the MOU between CFD and CPA-TV would be dissolved. The lease could continue indefinitely at the current location for both the Fire Department and Communications, but the facility, as mentioned above, is not suitable for continued use as a studio. If the lease is terminated, CPA-TV could cease studio operations until another location is found.

(B) Prior to the Commencement Date, unless Tenant is leasing the Premises on an “as is” basis, Landlord shall substantially complete the Building Standard Work and that portion of the Building Non-Standard Work to be done by the Landlord (“Landlord’s Work”). Substantial completion shall be deemed to have occurred when there remains to be completed only minor items of Landlord’s Work, which do not materially impair the use of the Premises by the Tenant. In the event the Premises are ready for occupancy prior to the Commencement Date, and Tenant takes early occupancy of the Premises, notwithstanding anything else to the contrary contained herein, Tenant’s obligation to pay rent under this Lease shall commence upon such occupancy, and shall continue until the Expiration Date.

4. RENT: Tenant shall pay to the Landlord, as rent for the Premises, the Base Rent set forth in Section 1.11 in the monthly installments set forth in Section 1.11. Rent shall be payable on or before the first day of the term hereof and on or before the first day of each and every successive calendar month hereafter during the term hereof. Rent payments shall be deemed late if received by the Landlord after the fifth day of the month when due, and a ten per cent (10%) late fee shall be assessed and shall be payable within five (5) days by Tenant. Tenant agrees to pay an additional charge of \$50.00, in addition to the late fee, for each check returned for insufficient funds or any other reason. In the event the term of the Lease commences on a day other than the first day of the calendar month, then the monthly rent for the fractional month shall be appropriately pro-rated. All rentals shall be paid to Landlord, without deduction or offset, in lawful money of the United States at the offices of **York Property, LLC**, 112 West Main Street, Suite 5, Charlottesville, Virginia 22902 or to such other person or at such other place as the Landlord may from time to time designate in writing. Any payment to Landlord following the service upon Tenant of a written five (5) day Notice to Pay Rent or Quit must be in the form of cash, certified or cashier’s check. All amounts of money payable by Tenant to Landlord, whether in the nature of rent or otherwise, shall bear interest from due date until paid at the rate of fifteen per cent (15%).

5. SECURITY DEPOSIT: Tenant has deposited with Landlord the Security Deposit as set forth in Section 1.12. Said sum shall be held by Landlord as security for the faithful performance by Tenant of all the terms, provisions, covenants and conditions of this lease to be kept and performed by the Tenant during the term hereof. If Tenant defaults with respect to any provisions of this Lease, including but not limited to the provisions relating to the payment of rent, Landlord may (but not be required to) use, apply or retain all or any part of the Security Deposit for the payment of any rent or any other sum in default, or for the payment of any amount Landlord may spend or become obligated to spend by reason of Tenant’s default, or to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant’s default. If any portion of said deposit is so used or applied, Tenant shall within five (5) days after written demand, deposit cash with Landlord in an amount sufficient to restore the

Security Deposit to its original amount and Tenant's failure to do so shall be a material breach of this Lease. Except as may be required by state or local laws, Landlord shall not be required to keep this Security Deposit separate from its general funds, no trust relationship shall be created with respect thereto, and Tenant shall not be entitled to interest on such deposit. If Tenant shall fully and faithfully perform every provision of this Lease, the Security Deposit, or any balance thereof shall be returned to Tenant (or, at Landlord's option, to the last assignee of Tenant's interest hereunder) at the expiration of the Lease term. In the event of termination of Landlord's interest in this Lease, Landlord shall transfer such deposit to Landlord's successor in interest, and upon such transfer, Landlord shall be relieved of any and all liability therefore and obligation with respect thereto, and Tenant shall look solely to such successor in interest of Landlord for return of any applicable portion of such deposit.

6. USE: Tenant shall use the Premises for the use set forth in Section 1.2.1 and shall not use or permit the Premises to be used for any other purpose without the prior written consent of Landlord which shall not be unreasonably withheld. Tenant shall not do or permit anything to be done in or about the Premises nor bring or keep anything therein, which will in any way increase the existing rate or affect any fire or other insurance upon the Project or any of its contents, or cause cancellation of any insurance policy covering said Project or any part thereof or any of its contents. Tenant shall not do or permit anything to be done in or about the Premises, which will in any way obstruct or interfere with the rights of other tenants or occupants of the Project or injure or annoy them or use or allow the Premises to be used for any improper, immoral, unlawful, or objectionable purpose, nor shall Tenant cause, maintain, or permit any nuisance in, on or about the Premises. Tenant shall not commit or suffer to be committed any waste in or upon the Premises.

6A. SECURITY: Tenant may install any locks, cameras, or other security devices that are reasonably necessary to protect its on-site equipment and facilities and may limit access to the property to authorized personnel only.

7. COMPLIANCE WITH LAW: Tenant shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance or government rule or regulation now in force or which may hereinafter be enacted or promulgated. Tenant shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances and government rules, regulations or requirements now in force or which may hereafter be in force and with the requirements of any board of fire insurance underwriters or other similar bodies now or hereafter constituted, relating to, or affecting the condition, use or occupancy of the Premises.

8. ALTERATIONS AND ADDITIONS: Tenant shall not make or suffer to be made any alterations, additions, or improvements to the Premises or any part thereof, or attach any fixture or equipment thereto, without first obtaining Landlord's written consent, which consent shall not be unreasonably withheld. All such alterations, additions and improvements shall immediately become the Landlord's property, and at the end of the term hereof, shall remain on

the Premises without compensation to the Tenant unless Landlord elects by notice to Tenant to have the Tenant remove the same, in which event Tenant shall promptly restore the Premises to it's condition prior to the installation of such alterations, additions, and improvements. In the event that the use of the Premises is for commercial or business purposes, Landlord's consent to install a security and/or alarm system within the Premises shall not be unreasonably withheld.

9. REPAIRS:

A By entry hereunder Tenant accepts the Premises as being in the condition in which Landlord is obligated to deliver the Premises under the terms of this Lease. Tenant shall, at all times during the term hereof and at Tenant's sole cost and expense, keep the Premises and every part thereof in good condition and repair (ordinary wear and tear, damage thereto by fire, earthquake, act of God or the elements excepted), with Tenant hereby waiving all rights to make repairs at the expense of the Landlord or in lieu thereof to vacate the Premises as provided in any applicable law, statute or ordinance now or hereinafter in effect. Tenant shall at the end of the term hereof surrender to Landlord the Premises and all alterations, additions and improvements thereto in the same condition as when received, ordinary wear and tear and damage by fire, earthquake, act of God or the elements accepted. Landlord has no obligation and has made no promise to alter, remodel, improve, repair, decorate or paint the Premises or any part thereof, except as specifically set forth herein.

B Notwithstanding the provisions of Section 9 (A) above, Landlord shall repair and maintain the structural portions of the Project, including the basic plumbing, HVAC system and electrical systems, installed or furnished by the Landlord, unless the necessity of such maintenance and repairs are in any way caused by the act, neglect, fault or omission of any duty by Tenant, its agents, servants, employees or invitee, in which case Tenant shall pay to Landlord the reasonable costs of such maintenance and repairs. Landlord shall not be liable for any failure to make such repairs or perform such maintenance for a reasonable period of time following such notice by Tenant. There shall be no abatement of rent and no liability of Landlord by reason of any injury or interference with Tenant's business arising from the making of any repairs, alterations or improvements in or to any portion of the Building or the Premises or in or to fixtures, appurtenances and/or equipment therein. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereinafter in effect.

C. Notwithstanding anything else to the contrary, Tenant shall be responsible for obtaining an annual HVAC contract with a reputable HVAC contractor. This HVAC contract shall at a minimum include:

- Quarterly filter changes
- Spring Tune-up
- Fall Tune-up
- Annual belt changes
- Annual coil cleaning
- Annual drain pan service

Tenant shall be responsible for any damage caused by Tenant's failure to replace filters in a timely manner. Cleaning of duct work is the responsibility of the Tenant.

10. LIEN. Tenant shall keep the Premises and the Project free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant. Landlord shall have the right to post and keep posted on the Premises any notices that may be provided by law or which Landlord may deem to be proper for the protection of Landlord, the Premises and the Project from such liens. Tenant shall give Landlord at least ten (10) days written notice of date of commencement of any construction or work on the Premises in order to permit the posting of such notices by Landlord. Landlord may require, at Landlord's sole option, that the Tenant, at Tenant's expense provide to Landlord a lien and completion bond in an amount equal to one and one-half (1 and ½) times any and all estimated costs of any improvements, additions, or alterations in the Premises, to insure Landlord against liability for mechanic's or materialmen's liens and to insure completion of work.

11. ASSIGNMENT AND SUBLETTING.

A. Without Landlord's written consent, which shall not be unreasonably withheld, Tenant (including without limitation any subsequent assignee or subtenant) shall not, either voluntarily or by operation of law, assign mortgage, hypothecate, or encumber this Lease, or any interest in this Lease, permit the use of the Premises by any person or persons, licensees or concessionaires, other than Tenant, or sublet the Premises or any part of the Premises. Any transfer of this Lease from Tenant by merger, conveyance, transfer by bequest or inheritance, or other transfer of a controlling interest in Tenant shall constitute an assignment for the purpose of this Lease. The performance by Tenant of any of the acts described in this section without Landlord's written consent shall be void, shall confer no rights upon any third person, and shall, at the option of the Landlord, terminate this Lease. Landlord's consent to one assignment or subletting shall not constitute waivers of the necessity for such consent to a subsequent assignment or subletting nor shall such consent constitute a release of Tenant from the full performance by Tenant of all terms, provisions, conditions and covenants of this Lease. Landlord's acceptance of rent or any other payment from Tenant's assignee or subtenant shall not constitute or be construed as Landlord's consent to such assignment or subletting.

B. Upon written notice from Tenant to Landlord of Tenant's desire to assign this Lease or sublease all of the Premises, Landlord shall have fifteen (15) days following Tenant's written notice within which Landlord shall have the option to terminate this Lease and take possession of the Premises, or any portion thereof. If Landlord elects to exercise such option to terminate this Lease, the date of such termination shall be as specified by Landlord in Landlord's notice of its said election. Should Landlord not exercise its option to terminate this Lease pursuant to the terms of this subsection, Landlord shall not unreasonably withhold its consent to Tenant's requested subletting or assignment for a period of Forty-five (45) days from that date Landlord informs Tenant of Landlord's election as provided immediately above; provided, that under no circumstances shall Landlord be required to consent to a subletting of a portion of the

Premises.

C. Should Tenant (including any subsequent assignee or subtenant) requests Landlord's consent to an assignment of this Lease, or the subletting of any portion of the Premises, Tenant (or any subsequent assignee or subtenant) shall submit in writing to Landlord such information as Landlord may reasonably require with respect to the terms of the proposed assignment or subletting and information about the proposed assignee or subtenant.

D. Should this Lease be assigned, or should the Premises or any part thereof be sublet or occupied by a person or persons other than the original Tenant hereunder, Landlord may collect rent from the assignee, sublessee or occupant and apply the net amount collected to the monthly rent herein reserved, but no such assignment, subletting, occupancy or collection of rent shall be deemed a waiver of any term of this Lease, nor shall it be deemed acceptance of the assignee, sublessee or occupant as a tenant, or a release of Tenant from the full performance by Tenant of all the terms, provisions, conditions and covenants of this Lease.

E. It is the intent of both Landlord and Tenant that the purpose of any assignment or subletting is to aid Tenant in meeting its obligations under this Lease and not to allow Tenant to gain financially from any such assignment or subletting. Landlord and Tenant agree that Landlord's consent to any assignment or subletting may be conditioned upon reaching mutual agreement upon a modification of the Base Rent.

F. In the event Tenant shall assign this Lease or sublet the Premises or shall request the consent of the Landlord to any assignment or subletting, then Tenant shall pay Landlord's reasonable attorney's fees incurred in connection therewith.

13. SUBROGATION. Landlord and Tenant each shall use every good faith effort to obtain from their respective insurers under all policies of fire and extended coverage insurance maintained by either of them at any time during the term hereof insuring or covering the Project or Premises or any improvements, fixtures, equipment, furnishings or other property including saleable goods, merchandise and inventory in, on or about the Premises, if any, a waiver of all rights of subrogation which the insurer of one party might have against the other party.

14. LIABILITY INSURANCE. Tenant agrees to carry and keep in force during the term hereof, at Tenant's sole costs and expense, the following types of insurance, in the amount and in the form provided for:

A. **PUBLIC LIABILITY AND PROPERTY DAMAGE.** Bodily and personal injury liability insurance with limits of not less than the amount set forth in Section 1.14 per occurrence, insuring against liability for injuries to or death of persons occurring in, on or about the Premises or arising out of the use or occupancy thereof (including, for purposes of "personal injury", coverage against false arrest, detention or imprisonment, malicious prosecution, libel, slander,

and wrongful entry or eviction), and property damage liability insurance with a limit of not less than set forth in Section 1.14 per accident or occurrence. All such public liability and property damage insurance shall specifically insure the performance by Tenant of its indemnity obligations under this lease with respect to liability for injury to or death of persons and for damage to property.

B. WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY.

Tenant shall obtain insurance covering workers' compensation and employers' liability in the amounts set forth in Section 1.14 of this Lease.

C. PLATE GLASS. Insurance against breakage of all plate and tempered glass within the Premises, in an amount not less than its full replacement costs.

D. TENANT IMPROVEMENTS. Insurance covering all improvements made by or for Tenant to Premises, and any and all fixtures, equipment, furnishings and personal property of Tenant from time to time in, on or about the Premises, providing protection against all perils included within a standard fire and extended coverage insurance policy ("all risk form"), together with insurance against vandalism and malicious mischief. Such insurance shall be in an amount no less than the full replacement cost of the property insured without a deduction for depreciation.

E. POLICY FORMS. All policies of insurance provided for herein shall be issued by insurance companies qualified to do business in the Commonwealth of Virginia; and except for Workman's Compensation and employers liability, all such policies shall be issued in the name of the Tenant and such other person or firms as Landlord specifies from time to time and shall be for the mutual and joint benefit and protection of Landlord, Tenant and others hereinabove mentioned. Copies of all certificates of insurance shall be delivered to Landlord within ten (10) days after delivery of possession of the Premises to Tenant, and thereafter within thirty (30) days prior to the expiration of the term of each such policy. As often as any policy shall expire or terminate, renewal or additional policies shall be procured and maintained by the Tenant in like manner and to like extent. All such policies of insurance shall provide that the company writing said policy will endeavor to give Landlord thirty (30) days notice in writing in advance of any cancellation or lapse or the effective date of any reduction in the amounts of insurance. All public liability, property damage, and other casualty policies shall be written as primary policies, not contributing with, and not in excess of, coverage that Landlord may carry.

15. SERVICES AND UTILITIES. Tenant shall make all arrangements for and pay for all utilities and services furnished to or used by Tenant, including without limitation, electricity, gas, water and sewer, janitorial services if desired, trash collection, and telephone services, and for all connection charges.

16. PROPERTY TAXES. In addition to all rental or other charges to be paid by Tenant hereunder, Tenant agrees to pay, before delinquency, any and all taxes levied or assessed

during the term hereof upon Tenant's equipment, furniture, fixtures and other personal property located in, on or about the Premises. In the event any or all of the Tenant's leasehold improvements, equipment, furniture, fixtures and personal property shall be assessed and taxed with the Project or to a Building within the Project, Tenant shall pay to Landlord its share of such taxes within ten (10) days after delivery to Tenant by Landlord of a statement in writing setting forth the amount of such taxes applicable to Tenant's property.

Tenant is responsible for property tax based on 1,210 sq ft. If any tax is levied by the City, Tenant shall be responsible for its portion of the building. Taxes will be pro-rated based on the beginning and end of lease.

17. RULES AND REGULATIONS. Tenant shall faithfully observe and comply with the rules and regulations that Landlord shall from time to time promulgate. Landlord reserves the right from time to time to make all reasonable modifications to such rules and regulations. The additions and modifications to such rules and regulations shall be binding upon Tenant upon delivery of a copy of them to Tenant. Landlord shall not be responsible to Tenant for the nonperformance of any such rules and regulations by any other tenants or occupants.

18. HOLDING OVER. Any holding over after the expiration of the term of this Lease by Tenant, without the written consent of Landlord delivered to Tenant, shall be construed to be a tenancy from month-to-month on all of the terms, provisions, covenants, and conditions herein specified, but at a monthly rent rate equal to one hundred fifteen per cent (115%) of the monthly rent in effect on the date of such expiration or termination. Acceptance by Landlord of monthly rent after such expiration or termination shall not constitute consent by Landlord to any such tenancy or any renewal of the term hereof. The provisions of this Section 18 are in addition to, and do not affect, Landlord's right of re-entry or other rights hereunder or provided by law.

19. DAMAGE AND DESTRUCTION. If the Premises or the Building in which Premises are located are damaged by fire, earthquake, act of God, the elements or other casualty Landlord shall promptly repair such damages, subject to the provisions of this Section 19, if in Landlord's judgement, such repairs can be made within One Hundred and Eighty Days (180) under the laws and regulations of the state, federal, county and municipal authorities having jurisdiction. During the making of such repairs by Landlord, this Lease shall remain in full force and effect, except that if the damage is not the result of any act, neglect, default or omission of Tenant, its agents, employees or invitees, Tenant shall be entitled to a reduction of rent while such repair is being made in the proportion that the net rentable area of the Premises rendered untenable by such damage bears to the total net rentable area of the Premises. If such repairs cannot be made within One Hundred and Eighty (180) days, Landlord shall have the option to either (a) repair such damage, this Lease continuing in full force and effect but with the rent proportionately reduced upon the conditions and as hereinabove in this Section 19, provided, or (b) gives notice to Tenant at any time within thirty (30) Days after the occurrence of such damage terminating this Lease as of a date specified in such notice which date shall not be less than thirty (30) days nor more than sixty (60) days after the giving of such notice. If Landlord elects to terminate this Lease by giving such notice of termination to Tenant, this Lease and all interest of Tenant in the Premises shall terminate on the date specified in such notice, and the rent,

proportionately reduced as hereinabove in this Section 19 provided, shall be paid up to the date of such termination, Landlord hereby agreeing to refund to Tenant any rent, theretofore paid for any period of time subsequent to such date. If Landlord elects or is required to repair the Premises or the Building in which the Premises are located under this Section 19, Landlord shall repair at its cost any injury or damage to the Building, and Tenant shall be responsible for and shall repair at its sole cost all fixtures, equipment, furniture or any other property of Tenant in the Premises. Landlord shall in no event be required to repair any improvements installed in the Premises by Tenant at Tenant's sole cost and expense. Tenant hereby waives the provision of any state or local law, to the extent said provisions may be waived, which are in conflict with Section 19. Tenant shall not be entitled to any compensation or damages from Landlord for damage to any of Tenant's fixtures, personal property, or equipment, for loss of use of the Premises or any part thereof, for any damage to Tenant's business or profits or for any disturbance to Tenant caused by any casualty or the restoration of the Premises following such casualty. A total destruction of the Building shall automatically terminate this Lease.

20. DEFAULT. The occurrence of any one or more of the following events shall constitute a default and breach (a "Default") of this Lease by Tenant.

A. The vacating or abandonment of the Premises by Tenant.

B. The failure of Tenant to make any payment of rent or any other payment required to be made by Tenant hereunder as and when due.

C. The failure by Tenant to observe or perform any of the covenants, conditions, or provisions of this Lease to be observed or performed by Tenant, other than described in Section 20(B) above, where such failure shall continue for a period of fifteen (15) days after written notice thereof by Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than fifteen (15) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commences such cure within said fifteen (15) day period and thereafter diligently prosecutes such cure to completion.

D. The making by Tenant of any general assignment or general arrangement for the benefit of creditors; or the filing by or against Tenant of a petition to have Tenant adjudged a bankrupt, or a petition of reorganization or arrangement under any law relating to bankruptcy (unless in the case of such petition filed against Tenant, the same is dismissed within sixty (60) days; or the appointment of a trustee or a receiver who is to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged in ten (10) days; the admission by Tenant in writing of the inability to pay its debts as they become due.

21. REMEDIES IN DEFAULT. In the event of any such Default as provided in

Section 20 above, Landlord shall have the following remedies, in addition to any other rights or remedies which Landlord may have by reason of such Default, and in addition to any other right or remedy Landlord may have at law or in equity:

A. Landlord shall have the right to cancel and terminate this Lease by written notice to Tenant and all of the right, title and interest of Tenant hereunder, but not Tenant's liability, shall terminate in the same manner and with the same force and effect as if the date fixed in the notice of cancellation and termination were the end of the term herein originally determined.

B. Landlord may elect, but shall not be obligated, to make any payment required of Tenant herein or comply with any agreement, term, or condition required hereby to be performed by Tenant, and Landlord shall have the right to enter the Premises for the purpose of correcting or remedying any such Default and to remain until the Default has been corrected or remedied, but any expenditure for the correction by Landlord shall not be deemed to waive or release the Default of Tenant or the right of Landlord to take any action as may be otherwise permissible hereunder in the case of any Default.

C. Landlord may re-enter the Premises immediately and remove the property and personnel of Tenant (1) store the property in a public warehouse or at a place selected by Landlord, at the expense of Tenant or (2) dispose of and/or sell such property and apply the proceeds there from pursuant to applicable Virginia law, all as attorney-in-fact for Tenant. After re-entry Landlord may terminate this Lease by giving five (5) days written notice of termination to Tenant. Without notice, re-entry will not terminate this Lease.

D. After re-entry, Landlord may relet the Premises or any part thereof for any term without terminating this Lease, at such rent and on such terms as Landlord may choose. Landlord may make alterations and repairs to the Premises. If the Premises are relet as provided herein, in addition to Tenant's liability to Landlord for breach of this Lease, Tenant shall be liable for all expenses of the reletting, for the alterations and repairs made, and for the difference between the rent received by Landlord under the new lease and the rent installments that are due for the same period under this Lease.

E. Landlord shall apply the rent received from reletting the Premises (1) to reduce the indebtedness of Tenant to Landlord under this Lease, not including indebtedness for Rent, (2) to expenses of the reletting and alterations and repairs made, (3) to Rent due under this Lease, or (4) to payment of future rent under this Lease as it becomes due.

F. In the event of termination or repossession following a Default, Tenant shall pay to Landlord the amount of all Rent and Additional Rent (including, but not limited to, the reasonable attorneys' fees and costs incurred by Landlord) due through the earlier of the date of termination or repossession.

G. After termination, Landlord may accelerate all remaining Rent and additional

payments due hereunder (“Accelerated Rent”) and Tenant shall pay to Landlord, on demand, the Accelerated Rent which shall be calculated as the present cash value (using an annual discount rate of 3%) on the date of demand of the Rent and additional amounts which would have been payable from the date of termination for what would have been the unexpired Term if it had not been terminated, plus the Rent and additional payments due through the date of termination, which remain unpaid. For the purposes of this calculation, future additional payments shall include any amounts which Tenant is obligated to pay under the Lease, including, but not limited to real estate taxes, utilities and insurance, which shall be calculated at the amount of such additional payments in effect prior to Tenant's Default.

22. OTHER REMEDIES OF LANDLORD.

A. In the event of a breach by Tenant of any of the terms or conditions hereof, Landlord shall have the right of injunction to restrain Tenant and the right to invoke any remedy allowed by law or in equity, as if the specific remedy of indemnity or reimbursement were not provided herein.

B. The rights and remedies given to Landlord in this Lease are distinct, separate, and cumulative, and no one of them, whether or not exercised by Landlord shall be deemed to be to the exclusion of any of the other herein, by law, or by equity provided.

C. No receipt of money by Landlord from Tenant after Default or termination of this Lease in any lawful manner shall (1) reinstate, continue, or extend the Term of this Lease or affect any notice given to Tenant, (2) operate as a waiver of the right of Landlord to enforce the payment of Rent then due or falling due, or (3) operate as a waiver of the right of Landlord to recover possession of the Leased Premises by proper suit, action, proceeding or other remedy.

23. COSTS OF ENFORCEMENT AND WAIVER OF EXEMPTIONS. Tenant shall pay all costs and expenses incurred by Landlord, including reasonable attorney's fees, in enforcing, by legal action or otherwise, any provision of this Lease, or incurred by Landlord in any litigation in which Landlord becomes involved or concerned by reason of the relationship of Landlord and Tenant. Tenant hereby waives the benefit of any homestead or similar exemption laws with respect to the obligations of this Lease.

24. EMINENT DOMAIN. If more than twenty-five per cent (25%) of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, either party hereto shall have the right, at its option, to terminate this Lease, and Landlord shall be entitled to any and all income, rent, award or any interest therein whatsoever which may be paid or made in connection with such public or quasi-public use or purpose, and Tenant shall have no claim against Landlord for the value of any unexpired term of this Lease. Notwithstanding the foregoing, Tenant shall be entitled to receive any portion of any such award designated to compensate Tenant for (i) the taking of personal property or fixtures belonging to Tenant, (ii) the unamortized costs of any leasehold improvements paid for solely by Tenant and (iii) moving costs or relocation costs incurred by Tenant. If less than twenty-five per

cent (25%) of the Premises is so taken, or if more than twenty-five per cent (25%) of the Premises is so taken and neither party elects to terminate as herein provided, the rental thereafter to be paid shall be equitably reduced. If any part of the Building in which the Premises are located other than the Premises may be so taken or appropriated, Landlord shall have the right at its option to terminate this Lease and shall be entitled to the entire award as above provided.

25. PARKING. N/A

26. ESTOPPEL CERTIFICATE. At any time and from time to time but not less than fifteen (15) days' prior written request by Landlord, Tenant shall promptly execute, acknowledge and deliver to Landlord a certificate certifying (a) that this Lease is unmodified and in full force and effect, as modified, and stating the date and nature of each modification, and (b) such other matters as may be reasonably requested by Landlord. Any such certificate may be relied upon by Landlord and by any prospective purchaser, mortgagee or beneficiary considering the purchase of or a loan on the Project or any part thereof or interest therein.

27. AUTHORITY OF PARTIES. If Tenant is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that he is duly authorized to execute and deliver this Lease on behalf of said corporation, in accordance with a duly adopted resolution of the board of directors of said corporation or in accordance with the by-laws of said corporation, and that this Lease is binding upon said corporation in accordance with its terms.

28. GENERAL PROVISIONS.

A. Plats and riders. Addenda and Exhibits, if any, referred to in this Lease are attached hereto and by this reference made a part hereof. Clauses, plats and riders, if any, signed by Landlord and Tenant and endorsed on or annexed to this Lease are hereby incorporated herein by this reference.

B. Waiver. The waiver by Landlord of Tenant's failure to perform or observe any term, covenant or condition herein contained to be performed or observed by Tenant shall not be deemed to be a continuing waiver of such term, covenant, or condition herein contained, and no custom or practice which may develop between the parties hereto during the term hereof shall be deemed a waiver of, or in any way affect, the right of Landlord to insist upon performance and observance by Tenant in strict accordance with the terms hereof. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding failure of Tenant to pay the particular rent so accepted, irrespective of any knowledge on the part of Landlord of such preceding failure at the time of acceptance of such rent.

C. Notices. All notices, demands, requests advises or designations which may be or are required to be given by either party to the other hereunder shall be in writing. All notices, demands, requests, advices or designations by Landlord to Tenant shall be sufficiently given,

made or delivered if personally served on Tenant by leaving the same at the Premises. All notices, demands, requests, advices or designations by Tenant to Landlord shall be sent by United States certified or registered mail, postage prepaid, addressed to Landlord at the address set forth in Section 1.1.

D. Examination of Lease. Submission of this instrument for signature by Tenant does not constitute a reservation or option for a lease, and this instrument is and shall not be deemed to be effective as a lease or otherwise until its execution and delivery by both Landlord and Tenant.

E. Joint Obligation. If there be more than one person or entity named hereunder as Tenant, the obligations of such persons or entities shall be joint and several. The article, section and paragraph headings of this Lease are for convenience of reference only and shall have no effect upon the construction or interpretation of any provision hereof.

F. Time. Time is of the essence of this Lease and each and all of its provisions in which performance is a factor.

G. Successors and Assigns. The covenants and conditions herein contained, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties hereto.

H. Recordation. Tenant shall not record this Lease or a short form memorandum hereof without the prior written consent of Landlord.

I. Quiet Possession. Upon Tenant paying the rent reserved hereunder and observing and performing all of the covenants, conditions and provisions on the Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the Premises for the entire term hereof, subject to all the provisions of this Lease.

J. Late Charges. Tenant hereby acknowledges that late payment by Tenant to Landlord of rent or other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Landlord by terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or of a sum due from Tenant shall not be received by Landlord or Landlord's designee within five (5) days after due date, a late charge of ten per cent (10%) of the total amount due will be assessed. The parties hereby agree that such late charge represents a fair and reasonable estimate of the cost that Landlord will incur by reason of the late payment by Tenant. Acceptance of such late charges by the Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.

K. Prior Agreements. This Lease, together with the other documents or agreements referred to in Section 31 hereof, if any, contains all of the agreements of the parties with respect to any matters covered or mentioned in this Lease, and no prior agreements or understandings pertaining to any such matters shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors in interest. Tenant acknowledges that in executing and delivering this Lease, it is not relying on any verbal or written understanding, promise or representation outside the scope of this Lease and not described or referred to herein.

L. Inability to Perform. This Lease and obligations of the Tenant hereunder shall not be affected or impaired because the Landlord is unable to fulfill any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of strike, labor troubles, acts of God, or any other cause beyond the reasonable control of the Landlord.

M. Attorney's Fees. In the event of any action or proceeding brought by Landlord against Tenant for failure to pay rent or other breach of this Lease the prevailing party shall be entitled to recover all costs and expenses including the fees of its attorneys in such action or proceeding in such amount as the Court may adjudge reasonable.

N. Sale of Premises by Landlord. In the event of any sale of the Project as a whole, or the transfer of the Building in which Premises are located and/or Project to any other party or entity, Landlord shall be and is hereby entirely freed and relieved of all liability under any and all of its covenants and obligations contained in or derived from this Lease arising out of any act, occurrence or omission occurring after the consummation of such sale or transfer; and the purchaser or such transferee shall be deemed, without any further agreement between the parties or their successors in interest or between the parties and any such purchaser or transferee, to have assumed and agreed to carry out any and all covenants and obligations of the Landlord under this Lease. Tenant hereby agrees to attorn to any such purchaser or transferee. Tenant agrees to execute any and all documents deemed necessary or appropriate by Landlord to evidence the foregoing.

O. Subordination, Attornment. Without the necessity of any additional document being executed by Tenant for the purpose of effecting a subordination, this Lease shall be subject and subordinate at all times to: (1) All ground leases and underlying leases which may now exist or hereafter be executed affecting the Project or the land upon which the Project is situated or both, and (2) the lien of any mortgage or deed of trust which may now exist or hereafter be executed in any amount for which said Project, land, ground leases or underlying leases or Landlord's interest or estate in any of the said items is specified as security. Notwithstanding the foregoing, Landlord shall have the right to subordinate or cause to be subordinated any such ground leases or underlying leases or any such liens to this Lease. In the event that any ground lease or underlying lease terminates for any reason or any mortgage or deed of trust is foreclosed or a conveyance in lieu of foreclosure is made for any reason, Tenant shall, notwithstanding any subordination, attorn to and become the Tenant of the successor in

interest. Tenant covenants and agrees to execute and deliver upon demand by Landlord and in the form requested by Landlord, any additional documents evidencing the priority or subordination of this Lease with respect to any such ground leases or underlying leases or the lien of any such mortgage or deed of trust.

P. Name. Tenant shall not use the name of the Project for any purpose other than as an address of the business to be conducted by Tenant in the Premises.

Q. Separability. Any provision of this Lease which shall be prove to be invalid, void, illegal or unenforceable shall in no way affect, impair or invalidate any other provisions hereof and this Lease shall remain in full force and effect.

S. Choice of Law. This Lease shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia.

T. Signs and Auctions. Tenant shall not place any sign upon the Premises or Building or conduct any auction thereon without Landlord's prior written consent. All signs so consented to by Landlord and placed by Tenant upon or in the Premises shall comply in all respects with size, design, lettering and material guidelines established by Landlord for the Project, except that Tenant is authorized to install digital signage facing the York Place interior hallway. Landlord reserves the right to change or alter such guidelines at such times and for such tenants as Landlord may determine in its sole and absolute discretion. **All signs must be professionally made and installed.**

U. No Merger. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation hereof, shall not work a merger, and shall, at the option of Landlord, terminate all or any existing subleases or subtenancies or may, at the option of Landlord, operate as an assignment to Landlord of any and all such subleases or subtenancies.

V. Right of Landlord To Perform. All terms, covenants and conditions of this Lease to be performed or observed by Tenant shall be performed or observed by Tenant at its sole cost and expense and without any reduction of rent of any nature payable hereunder. If Tenant shall fail to pay any sum of money, other than rent required to be paid hereunder or shall fail to perform any other terms or covenant hereunder on its part to be performed, and such failure shall continue for five (5) days after Landlord notifies Tenant thereof in writing, Landlord without waiving or releasing Tenant from any obligation of Tenant hereunder, may, but shall not be obligated to, make any such payment or perform any such other covenant on Tenant's part to be performed. All sums so paid by Landlord, together with interest thereon from the date of payment at the rate of fifteen per cent (15%) or the highest rate permissible by law, whichever is less, shall be paid (and Tenant covenants to make such payment) to Landlord on demand, and

Landlord shall have (in addition to any other right or remedy of Landlord) the same rights and remedies in the event of nonpayment thereof by tenant as in the case of failure in the payment of rent hereunder.

W. Notice of surrender on Termination. At least one hundred and eighty (180) days before the last day of the term hereof, Tenant shall give the Landlord a written notice of Tenant's intention to surrender the Premises at the end of the term hereof, but nothing contained herein shall be construed as an extension of the term hereof or as a covenant of Landlord to any holding over by the Tenant.

X. Upon reasonable notice to the Tenant and at reasonable times, Landlord or his duly designated representatives, may enter the property in order to show the property to prospective tenants, mortgagees, purchasers, workmen or contractors, and to place "For Rent" signs on the leased property. In the event that it is impractical for Landlord to give reasonable notice of his intent to enter the property, the property may be entered by Landlord without notice to the Tenant.

Y. Representation. Tenant hereby represents and warrants to Landlord that any and all financial information delivered by Tenant to Landlord in connection with this Lease is true and correct. In the event any such financial information proves to be inaccurate or misleading in any material respect, it shall constitute a material non-curable default.

29. BROKERS. Tenant warrants that it has had no dealings with any real estate broker or agents in connection with the negotiation of this lease, excepting only as set forth in Section 1.16, and it knows of no other real estate broker or agent who is entitled to a commission in connection with this lease. Tenant agrees to indemnify Landlord and hold Landlord harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including reasonable attorney's fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of Tenant's dealings with any real estate broker or agent other than specified above.

30. DEFAULT BY LANDLORD. **CITY OF CHARLOTTESVILLE, VIRGINIA
CITY COUNCIL AGENDA**

Agenda Date:	April 15, 2019
Action Required:	Approve Resolution
Presenter:	Christopher V. Cullinan, Finance Director
Staff Contacts:	Christopher V. Cullinan, Finance Director Khristina S. Hammill, Sr. Budget and Management Analyst
Title:	\$17,750,000 Million Bond Issue (maximum amount) – New Debt

Background/Discussion:

The City regularly issues bonds as part of its on-going Capital Improvements Program. Capital spending and the related financing is projected for a 5 year period and updated annually.

This bond issue represents part of the funding plan approved by Council for the City’s on-going Capital Improvements Plan. All of the projects to be funded by this bond issue have been previously approved and appropriated by City Council. The proceeds are proposed, but not limited, to be used to fund portions of the following projects:

<u>Projects</u>	<u>Amount</u>
Public Schools	\$ 3,086,584
Transportation and Access	2,313,416
Public Facilities	3,600,000
Parks and Recreation	<u>1,500,000</u>
General Government Debt	\$ 10,500,000
Water System Improvements	\$ 3,000,000
Wastewater Improvements	\$ 2,250,000
Stormwater System Improvements	<u>\$ 1,750,000</u>
Utility Debt	\$ 7,000,000
Total Bond Issue	<u>\$ 17,500,000</u>

These bonds will be repaid over the next 20 years with level annual principal payments. A more detailed discussion of the specific projects to be funded is attached.

Public Financial Management, Inc. (PFM), the City's financial advisor, along with City staff, continue to monitor the bond market and interest rate environment and we are anticipating a sale by mid-May. The bonds will be sold by a public offering through a competitive bid. The resolution authorizes the City Manager to accept the lowest interest rate bid on the bonds.

City management will be meeting with Moody's and Standard & Poor's to discuss the City's financial condition and to obtain ratings on these bonds. City staff anticipates that the City will retain its AAA bond rating, the highest rating given by both ratings agencies.

Community Engagement: As per the law, this public hearing has been advertised in the newspaper and the sale information will be advertised in other media outlets prior to the bond sale date.

Alignment with City Council's Vision and Priority Areas: Approval of this agenda item aligns directly with Council's vision for a **Smart Citizen Focused Government and Economic Sustainability**.

Budgetary Impact:

The City continues to manage its debt and to plan its bond issuance in a manner to:

- (1) Provide a stream of funding as it is needed,
- (2) Keep annual debt service costs on a fairly level amount, (i.e., to avoid large spikes in debt service) and
- (3) To maintain and finance its physical facilities and infrastructure in such a manner that future users/beneficiaries will help to pay for them.

This bond issue is part of the City's on-going capital financing plan. The debt service on this issue will be paid from previously appropriated funds in the City's Debt Service Fund. No new appropriation will be required.

Recommendation:

Staff recommends that Council approve the resolution authorizing the City Manager to accept the low bid on the bond sale on behalf of the City for a competitive transaction.

Alternatives:

The alternatives to not issuing new debt would be to either use funds on hand (cash) to fund projects or not construct projects.

THE COSTS OF CERTAIN PUBLIC IMPROVEMENT PROJECTS AND
PROVIDING FOR THE FORM, DETAILS AND PAYMENT THEREOF**

WHEREAS, the City Council of the City of Charlottesville, Virginia (the “City”), desires to issue general obligation public improvement bonds (the “Bonds”) to finance costs of certain capital improvement projects for the City, including, without limitation, (a) transportation and access improvements, including but not limited to constructing, equipping and repairing sidewalks and roads and street reconstruction, (b) renovations and improvements to public facilities, (c) public school improvements, (d) improvements to public parks, and (e) improvements to the City’s water, wastewater and stormwater systems and equipment for such systems (collectively, the “Project”); and

WHEREAS, the City’s administration and a representative of PFM Financial Advisors LLC, the City’s financial advisor (the “Financial Advisor”), have recommended to the City Council that the City issue and sell one or more series of general obligation public improvement bonds through a competitive public offering;

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF
CHARLOTTESVILLE, VIRGINIA:**

1. Authorization and Issuance of Bonds. The City Council finds and determines that it is in the best interest of the City to authorize the issuance and sale of one or more series of Bonds in an aggregate principal amount not to exceed \$17,750,000 and to use the proceeds thereof, together with other funds as may be available, to finance costs of the Project and to pay costs incurred in connection with issuing such bonds (if not otherwise paid from other City funds).

2. Election to Proceed under the Public Finance Act. In accordance with the authority contained in Section 15.2-2601 of the Code of Virginia of 1950, as amended (the “Virginia Code”), the City Council elects to issue the Bonds pursuant to the provisions of the Public Finance Act of 1991, Chapter 26 of Title 15.2 of the Virginia Code (the “Public Finance Act”).

3. Bond Details. (a) The Bonds shall be designated “General Obligation Public Improvement Bonds, Series 2019,” or such other designation as may be determined by the City Manager (which term shall include the Interim City Manager and the Director of Finance). The Bonds shall be in registered form, shall be dated such date as may be determined by the City Manager, shall be in denominations of \$5,000 and integral multiples thereof and shall be numbered R-1 upward, or such other designation as appropriate. Subject to Section 9, the issuance and sale of any series of Bonds are authorized on terms as shall be satisfactory to the City Manager; provided, however, that the Bonds of such series (i) shall have a “true” or “Canadian” interest cost not to exceed 4.5% (taking into account any original issue discount or premium), (ii) shall be sold to the purchaser thereof at a price not less than 99.5% of the principal

amount thereof (excluding any original issue discount) and (iii) shall mature in years, or be subject to mandatory sinking fund redemption in annual installments, ending no later than December 31, 2039.

(b) Principal of the Bonds shall be payable, or be subject to mandatory sinking fund installments, annually on dates determined by the City Manager. Each Bond shall bear interest from its date at such rate as shall be determined at the time of sale, calculated on the basis of a 360-day year of twelve 30-day months, and payable semiannually on dates determined by the City Manager. Principal and premium, if any, shall be payable to the registered owners upon surrender of Bonds as they become due at the office of the Registrar (as hereinafter defined). Interest shall be payable by check or draft mailed to the registered owners at their addresses as they appear on the registration books kept by the Registrar on a date prior to each interest payment date that shall be determined by the City Manager (the "Record Date"); provided, however, that at the request of the registered owner of the Bonds, payment may be made by wire transfer pursuant to the most recent wire instructions received by the Registrar from such registered owner. Principal, premium, if any, and interest shall be payable in lawful money of the United States of America.

(c) Initially, one Bond certificate for each maturity of the Bonds shall be issued to and registered in the name of The Depository Trust Company, New York, New York ("DTC"), or its nominee. The City has heretofore entered into a Letter of Representations relating to a book-entry system to be maintained by DTC with respect to the Bonds. "Securities Depository" shall mean DTC or any other securities depository for the Bonds appointed pursuant to this Section.

(d) In the event that (i) the Securities Depository determines not to continue to act as the securities depository for the Bonds by giving notice to the Registrar, and the City discharges the Securities Depository of its responsibilities with respect to the Bonds, or (ii) the City in its sole discretion determines (A) that beneficial owners of Bonds shall be able to obtain certificated Bonds or (B) to select a new Securities Depository, then the Director of Finance shall, at the direction of the City, attempt to locate another qualified securities depository to serve as Securities Depository and authenticate and deliver certificated Bonds to the new Securities Depository or its nominee or to the beneficial owners or to the Securities Depository participants on behalf of beneficial owners substantially in the form provided for in Section 6; provided, however, that such form shall provide for interest on the Bonds to be payable (1) from the date of the Bonds if they are authenticated prior to the first interest payment date or (2) otherwise from the interest payment date that is or immediately precedes the date on which the Bonds are authenticated (unless payment of interest thereon is in default, in which case interest on such Bonds shall be payable from the date to which interest has been paid). In delivering certificated Bonds, the Director of Finance shall be entitled to rely on the records of the Securities Depository as to the beneficial owners or the records of the Securities Depository participants acting on behalf of beneficial owners. Such certificated Bonds will then be registrable, transferable and exchangeable as set forth in Section 8.

(e) So long as there is a Securities Depository for the Bonds, (i) it or its nominee shall be the registered owner of the Bonds; (ii) notwithstanding anything to the contrary in this Resolution, determinations of persons entitled to payment of principal, premium, if any, and

interest, transfers of ownership and exchanges and receipt of notices shall be the responsibility of the Securities Depository and shall be effected pursuant to rules and procedures established by such Securities Depository; (iii) the Registrar and the City shall not be responsible or liable for maintaining, supervising or reviewing the records maintained by the Securities Depository, its participants or persons acting through such participants; (iv) references in this Resolution to registered owners of the Bonds shall mean such Securities Depository or its nominee and shall not mean the beneficial owners of the Bonds; and (v) in the event of any inconsistency between the provisions of this Resolution and the provisions of the above-referenced Letter of Representations such provisions of the Letter of Representations, except to the extent set forth in this paragraph and the next preceding paragraph, shall control.

4. Redemption Provisions. (a) The Bonds may be subject to redemption prior to maturity at the option of the City on or after dates, if any, determined by the City Manager, in whole or in part at any time, at a redemption price equal to the principal amount of the Bonds, together with any interest accrued to the date fixed for redemption, plus a redemption premium not to exceed 1.0% of the principal amount of the Bonds, such redemption premium to be determined by the City Manager.

(b) Any Bonds sold as term bonds may be subject to mandatory sinking fund redemption upon terms determined by the City Manager.

(c) If less than all of the Bonds are called for redemption, the maturities of the Bonds to be redeemed shall be selected by the Director of Finance in such manner as such officer may determine to be in the best interest of the City. If less than all the Bonds of any maturity are called for redemption, the Bonds within such maturity to be redeemed shall be selected by the Securities Depository pursuant to its rules and procedures or, if the book-entry system is discontinued, shall be selected by the Registrar by lot in such manner as the Registrar in its discretion may determine. In either case, (i) the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some integral multiple thereof, and (ii) in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by \$5,000. The City shall cause notice of the call for redemption identifying the Bonds or portions thereof to be redeemed to be sent by facsimile or electronic transmission, registered or certified mail or overnight express delivery, not less than 30 nor more than 60 days prior to the redemption date, to the registered owner of the Bonds. The City shall not be responsible for giving notice of redemption to anyone other than DTC or another qualified securities depository then serving or its nominee unless no qualified securities depository is the registered owner of the Bonds. If no qualified securities depository is the registered owner of the Bonds, notice of redemption shall be mailed to the registered owners of the Bonds. If a portion of a Bond is called for redemption, a new Bond in principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

(d) In the case of an optional redemption, the notice may state that (i) it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, no later than the redemption date or (ii) the City retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited

or if the notice is rescinded as described herein. Any Conditional Redemption may be rescinded at any time. The City shall give prompt notice of such rescission to the affected Bondholders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain outstanding, and the rescission shall not constitute an event of default. Further, in the case of a Conditional Redemption, the failure of the City to make funds available on or before the redemption date shall not constitute an event of default, and the City shall give immediate notice to all organizations registered with the Securities and Exchange Commission (“SEC”) as securities depositories or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

5. Execution and Authentication. The Bonds shall be signed by the manual or facsimile signature of the Mayor or Vice Mayor, the City’s seal shall be affixed thereto or a facsimile thereof printed thereon and shall be attested by the manual or facsimile signature of the Clerk of the City Council (which term shall include any Acting, Interim or Deputy Clerk of the City Council); provided, however, that no Bond signed by facsimile signatures shall be valid until it has been authenticated by the manual signature of an authorized officer or employee of the Registrar and the date of authentication noted thereon.

6. Bond Form. The Bonds shall be in substantially the form of Exhibit A, with such completions, omissions, insertions and changes not inconsistent with this Resolution as may be approved by the officers signing the Bonds, whose approval shall be evidenced conclusively by the execution and delivery of the Bonds.

7. Pledge of Full Faith and Credit. The full faith and credit of the City are irrevocably pledged for the payment of principal of and premium, if any, and interest on the Bonds. Unless other funds are lawfully available and appropriated for timely payment of the Bonds, the City Council shall levy and collect an annual ad valorem tax, over and above all other taxes authorized or limited by law and without limitation as to rate or amount, on all locally taxable property in the City sufficient to pay when due the principal of and premium, if any, and interest on the Bonds.

8. Registration, Transfer and Owners of Bonds. The Director of Finance is hereby appointed paying agent and registrar for the Bonds (the “Registrar”). The City Manager is authorized, on behalf of the City, to appoint a qualified bank or trust company as successor paying agent and registrar of the Bonds if at any time the City Manager determines such appointment to be in the best interests of the City. The Registrar shall maintain registration books for the registration of the Bonds and transfers thereof. Upon presentation and surrender of any Bonds to the Registrar, or its corporate trust office if the Registrar is a bank or trust company, together with an assignment duly executed by the registered owner or the owner’s duly authorized attorney or legal representative in such form as shall be satisfactory to the Registrar, the City shall execute, and the Registrar shall authenticate, if required by Section 5, and deliver in exchange, a new Bond or Bonds having an equal aggregate principal amount, in authorized denominations, of the same form and maturity, bearing interest at the same rate, and registered in the name(s) as requested by the then registered owner or the owner’s duly authorized attorney or legal representative. Any such exchange shall be at the expense of the City, except that the Registrar may charge the person requesting such exchange the amount of any tax or other governmental charge required to be paid with respect thereto.

The Registrar shall treat the registered owner as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the owner, except that interest payments shall be made to the person shown as owner on the registration books on the Record Date.

9. Sale of Bonds. (a) The City Council authorizes the Bonds to be sold by competitive bid in one or more series, in a principal amount or principal amounts to be determined by the City Manager, in collaboration with the Financial Advisor, and subject to the limitations set forth in Section 1. The City Manager is also authorized to (i) determine the interest rates of the Bonds, the maturity schedules of the Bonds, and the price to be paid for the Bonds by the purchaser, subject to the limitations set forth in Section 3, (ii) determine the redemption provisions of the Bonds, subject to the limitations set forth in Section 4, and (iii) determine the dated date, the principal and interest payment dates and the Record Date of the Bonds, all as the City Manager determines to be in the best interest of the City.

(b) The City Manager is authorized, on behalf of the City and in collaboration with the Financial Advisor, to take all proper steps to advertise the Bonds for sale, to receive public bids and to award the Bonds to the bidder providing the lowest “true” or “Canadian” interest cost, subject to the limitations set forth in Section 3. Following the sale of the Bonds, the City Manager shall file with the records of the City Council a certificate setting forth the final terms of the Bonds. The actions of the City Manager in selling the Bonds shall be conclusive, and no further action with respect to the sale and issuance of the Bonds shall be necessary on the part of the City Council.

10. Official Statement. The draft Preliminary Official Statement describing the Bonds, copies of which have been made available to the City Council prior to this meeting, is hereby approved as the Preliminary Official Statement by which the Bonds will be offered for sale to the public; provided that the City Manager, in collaboration with the Financial Advisor, may make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this Resolution as the City Manager may consider to be in the best interest of the City. After the Bonds have been sold, the City Manager, in collaboration with the Financial Advisor, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this Resolution as are necessary or desirable to complete it as a final Official Statement. In addition, the City shall arrange for the delivery to the purchaser of the Bonds of a reasonable number of printed copies of the final Official Statement, within seven business days after the Bonds have been sold, for delivery to each potential investor requesting a copy of the Official Statement and to each person to whom the purchaser initially sells Bonds.

11. Official Statement Deemed Final. The City Manager is authorized, on behalf of the City, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12 (the “Rule”) of the SEC, except for the omission in the Preliminary Official Statement of certain pricing and other information permitted to be omitted pursuant to the Rule. The distribution of the Preliminary Official Statement and the execution and delivery of the Official Statement in final form shall be conclusive evidence that each has been deemed final as of its date by the City, except for the

omission in the Preliminary Official Statement of such pricing and other information permitted to be omitted pursuant to the Rule.

12. Preparation and Delivery of Bonds. After the Bonds have been awarded, the officers of the City are authorized and directed to take all proper steps to have the Bonds prepared and executed in accordance with their terms and to deliver the Bonds to the purchaser thereof upon payment therefor.

13. Arbitrage Covenants. (a) The City represents that there have not been issued, and covenants that there will not be issued, any obligations that will be treated as part of the same issue of obligations as the Bonds within the meaning of Treasury Regulations Section 1.150-1(c).

(b) The City covenants that it shall not take or omit to take any action the taking or omission of which will cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations issued pursuant thereto, or otherwise cause interest on the Bonds to be includable in the gross income for federal income tax purposes of the registered owners thereof under existing law. Without limiting the generality of the foregoing, the City shall comply with any provision of law that may require the City at any time to rebate to the United States any part of the earnings derived from the investment of the gross proceeds of the Bonds, unless the City receives an opinion of nationally recognized bond counsel that such compliance is not required to prevent interest on the Bonds from being includable in the gross income for federal income tax purposes of the registered owners thereof under existing law. The City shall pay any such required rebate from its legally available funds.

14. Non-Arbitrage Certificate and Elections. Such officers of the City as may be requested by the City’s bond counsel are authorized and directed to execute an appropriate certificate setting forth (a) the expected use and investment of the proceeds of the Bonds in order to show that such expected use and investment will not violate the provisions of Section 148 of the Code and (b) any elections such officers deem desirable regarding rebate of earnings to the United States for purposes of complying with Section 148 of the Code. Such certificate shall be prepared in consultation with the City’s bond counsel, and such elections shall be made after consultation with bond counsel.

15. Limitation on Private Use. The City covenants that it shall not permit the proceeds of the Bonds or the facilities financed or refinanced with the proceeds of the Bonds to be used in any manner that would result in (a) 5% or more of such proceeds or facilities being used in a trade or business carried on by any person other than a governmental unit, as provided in Section 141(b) of the Code, (b) 5% or more of such proceeds or facilities being used with respect to any output facility (other than a facility for the furnishing of water), within the meaning of Section 141(b)(4) of the Code, or (c) 5% or more of such proceeds being used directly or indirectly to make or finance loans to any persons other than a governmental unit, as provided in Section 141(c) of the Code; provided, however, that if the City receives an opinion of nationally recognized bond counsel that any such covenants need not be complied with to prevent the interest on the Bonds from being includable in the gross income for federal income

tax purposes of the registered owners thereof under existing law, the City need not comply with such covenants.

16. SNAP Investment Authorization. The City Council has previously received and reviewed the Information Statement (the “Information Statement”), describing the State Non-Arbitrage Program of the Commonwealth of Virginia (“SNAP”) and the Contract Creating the State Non-Arbitrage Program Pool I (the “Contract”), and the City Council hereby authorizes the City Treasurer in his discretion to utilize SNAP in connection with the investment of the proceeds of the Bonds. The City Council acknowledges that the Treasury Board of the Commonwealth of Virginia is not, and shall not be, in any way liable to the City in connection with SNAP, except as otherwise provided in the Contract.

17. Continuing Disclosure Agreement. The Mayor and the City Manager, either of whom may act, are hereby authorized and directed to execute a continuing disclosure agreement (the “Continuing Disclosure Agreement”) setting forth the reports and notices to be filed by the City and containing such covenants as may be necessary to assist the purchaser of the Bonds in complying with the provisions of the Rule promulgated by the SEC. The Continuing Disclosure Agreement shall be substantially in the form of the City’s prior Continuing Disclosure Agreements, which is hereby approved for purposes of the Bonds; provided that the City Manager, in collaboration with the Financial Advisor, may make such changes in the Continuing Disclosure Agreement not inconsistent with this Resolution as the City Manager may consider to be in the best interest of the City. The execution thereof by such officers shall constitute conclusive evidence of their approval of any such completions, omissions, insertions and changes.

18. Other Actions. All other actions of officers of the City in conformity with the purposes and intent of this Resolution and in furtherance of the issuance and sale of the Bonds are hereby ratified, approved and confirmed. The officers of the City are authorized and directed to execute and deliver all certificates and instruments and to take all such further action as may be considered necessary or desirable in connection with the issuance, sale and delivery of the Bonds.

19. Repeal of Conflicting Resolutions. All resolutions or parts of resolutions in conflict herewith are repealed.

20. Filing With Circuit Court. The Clerk of the City Council, in collaboration with the City Attorney, is authorized and directed to see to the immediate filing of a certified copy of this resolution in the Circuit Court of the City.

21. Effective Date. This Resolution shall take effect immediately.

[FORM OF BOND]

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”), to the issuer or its agent for registration of transfer, exchange or payment, and any certificate is registered in the name of Cede & Co., or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

**CITY OF CHARLOTTESVILLE, VIRGINIA
CITY COUNCIL AGENDA**

Agenda Date:	April 15, 2019
Action Required:	Amend City of Charlottesville Code (1 st of 2 Readings)
Presenter:	Andrew Baxter, Charlottesville Fire Department Chief
Staff Contacts:	Dr. RaShall Brackney, Chief of Police Andrew Baxter, Charlottesville Fire Department Chief John C. Blair, II, City Attorney
Title:	Amend Charlottesville City Code Section 15-131

Background:

Charlottesville City Code Section 15-131 currently provides a special parking tag to members in good standing of the Charlottesville Fire Company and the Charlottesville-Albemarle Rescue Squad (CARS). Additionally, City residents who are members of an Albemarle County volunteer fire company also receive special parking tags.

Discussion:

The rationale for providing special parking tags to members of volunteer emergency response organizations is to provide safe, easy, and quick access to a member's vehicle when responding to an emergency call for service. The current emergency response system for both fire incidents and emergency medical services incidents is based on the response of staffed units responding from a fire or rescue station and no longer relies on the individual response of volunteer members from their workplace, home, or other non-station-based location.

Members of the Charlottesville Volunteer Fire Company only respond to emergency calls for service as part of a career-staffed Charlottesville Fire Department unit. Every CARS member in good standing does not respond to emergency calls for service. Instead, only CARS active members in good standing actively respond to calls for service as part of a staffed unit from the McIntire Road rescue station. The proposed ordinance amendment limits the special parking tag to CARS full, active members.

Alignment with Council Vision Areas and Strategic Plan:

This ordinance amendment aligns with City of Charlottesville Strategic Plan Objective 2.1 "Reduce adverse impact from sudden injury and illness and the effects of chronic disease."

Community Engagement:

The City Fire Chief has discussed this ordinance change with the leadership of the Charlottesville Volunteer Fire Company, the Charlottesville-Albemarle Rescue Squad, and Albemarle County Fire Rescue.

Budgetary Impact:

None.

Recommendation:

Staff recommends Council approve the proposed ordinance amendment.

Alternatives:

The Council could decline to enact the proposed ordinance amendment.

**AN ORDINANCE
AMENDING AND REORDAINING SECTION 15-131
OF CHAPTER 15 (MOTOR VEHICLES AND TRAFFIC)**

BE IT ORDAINED by the Council for the City of Charlottesville, Virginia, that:

Section 15-131 of Article V of Chapter 15 of the Code of the City of Charlottesville (1990) is amended and reordained as follows:

Sec. 15-131. Application of parking regulations to volunteer firefighters and rescue squad members.

(a) Every full, active member in good standing of the volunteer organizations known and designated as the ~~Charlottesville Fire Company and the Charlottesville-Albemarle Rescue Squad;~~ and every member in good standing of an Albemarle County volunteer fire company who resides ~~within the corporate limits of the city~~ shall be eligible for a special license tag or decal issued by the treasurer. Notwithstanding any other provision of this article, members of the ~~city volunteer fire company~~ or volunteer rescue squad who have been issued a special tag or decal by the city treasurer shall be permitted to park their vehicles displaying such special tags or decals in disregard of the provisions of sections 15-140 and 15-174(a), but shall comply with all other provisions of this article in the same manner as any other persons are required to comply therewith.

(b) In determining whether to issue the license tag or decal referenced in paragraph (a), above, the treasurer shall utilize the membership list provided to the commissioner of revenue pursuant to section 30-39 of the City Code. Upon confirmation of eligibility, the treasurer shall issue to each such member a special license tag or decal which such member shall display on such vehicle as designated by the treasurer. Any person having been issued such special tag or decal who ceases to be a member in good standing of any such organization shall immediately surrender such special tag or decal to the treasurer and shall pay the appropriate license tax on such vehicle for the balance of the license year.

CITY OF CHARLOTTESVILLE, VIRGINIA
CITY COUNCIL AGENDA

Agenda Date:	April 1, 2019
Action Requested:	Consideration of a Rezoning Application
Presenter:	Brian Haluska, Principal Planner
Staff Contacts:	Brian Haluska, Principal Planner
Title:	ZM-18-00004 Lyman Street Residences

Background:

Bruce Wardell (BKKW, LLC) has submitted a rezoning petition for Tax Map 58 Parcels 289.2 and 358E (Subject Properties). The rezoning petition proposes a change in zoning from the existing R-1 zoning on Parcel 289.2 and Planned Unit Development zoning on Parcel 358E to R-2 Two-family Residential.

In addition to the rezoning application, the applicant has submitted an infill special use application (SUP) for the Subject Property. The SUP application is being requested to reduce the minimum lot sizes, setbacks and minimum required road frontage for the Subject Property. The development is being proposed as three single-family detached residences each with the potential for accessory dwelling units.

Discussion:

The Planning Commission discussed this matter at their March 12, 2019 meeting. Several Commissioners expressed support for the project and the additional housing. One commissioner argued that the site should be providing more housing units than proposed in the rezoning and SUP applications.

Alignment with City Council's Vision and Strategic Plan:

If City Council approves the rezoning request, the project could contribute to **Goal 3: Beautiful Environment, 3.1 Engage in robust and context sensitive urban planning and implementation**, and the City Council Vision of *Quality Housing Opportunities for All*.

Community Engagement:

On February 21, 2019 the applicant held a community meeting at the Belmont Arts Collaborative. The applicant gave an overview of the project as it related to the need for a rezoning and a SUP. The community voiced the following concerns with the proposed development:

- Support for the project in light of the applicant’s history in the area and the design proposed.
- Support for continued prohibition of on-street parking on the north side of Lyman Street.

Budgetary Impact:

This has no impact on the General Fund.

Recommendations:

The Planning Commission took the following action:

Mr. Lahendro moved to recommend approval of the application to rezone the subject properties from PUD and R-1 to R-2, on the basis that the proposal would service the interests of the general public and good zoning practice.

Mr. Solla-Yates seconded the motion

- Mr. Mitchell, Yes
- Mr. Lahendro, Yes
- Mr. Solla-Yates, Yes
- Mr. Heaton, Yes
- Mr. Stolzenberg, Yes

Title:	Alley Policy Evaluation Report

Background:

On July 16, 2018, City Council directed staff to evaluate the existing alley policy and develop a new policy on the public right-of-way as it pertains to alleys, local and “paper” streets. The Office of the City Attorney defines a “paper” street or alley as “one that has been created by a dedication indicated on a recorded subdivision plat, but which has never been actually established and accepted by the City.”

The Belmont Neighborhood was selected for the project as directed by the City Council due to the large number of alleys in the area (29). Between 1985 and 2018, there were 152 alley closings; approximately 4.6 per year. There are 5 City-accepted alleys citywide; four are in Belmont. The following alleys are specifically accepted and maintained by the City:

1. The alley connecting Avon Street to 6th Street NE, between Belmont Avenue and Monticello Avenue (Tax Map 58, Block 10).
2. The alley connecting Avon Street to 6th Street NE, between Monticello Avenue and Bolling Avenue (Tax Map 58, Block 16).
3. The alley connecting 4th Street, NW to 5th Street NE, between East Market Street and the Downtown Mall (Tax Map 53).
4. The alley connecting Elliott Avenue to Altavista Avenue between Avon Street and Rialto Street (Tax Map 59, Block 40).
5. The alley connecting Page Street to West Street between 10th and 10 ½ Street NW (Tax Map 4).

Discussion:

A working group representatives from City departments (NDS, Public Works, Utilities, Fire, Parks and Recreation), Place Design Taskforce and Bike-Ped Committee was set up to guide the study.

Process:

The group created a map showing alleys within Belmont, utility intersections, roadways, and other pertinent information. Alley benefits were compiled and used in the development of criteria for evaluating alleys for approval or denial of a closure request. A rating system was developed to assist in determining whether an alley should be closed or accepted upon request. The scoring system was designed to remove subjectivity in evaluating alleys. Alleys that score 1.5 points or higher should be denied the request for closure. Ten alleys were selected for field survey using the developed criteria. Two different groups conducted two field surveys; the information was analyzed and the results used in developing the final criteria for informed decision making process. The benefits identified for alleys include:

- a) Vehicular, bicycle and pedestrian circulation; b) Utility route; c) Access to rear property parking;
- d) Reduction or elimination of driveways from primary streets; e) Reduction of on-street parking;
- f) Improved access to greenways; g) Accessory Dwelling Unit (ADU) development opportunities;
- h) Café and retail opportunities in commercial areas; and i) potential to improve stormwater absorption.

Most of the alleys surveyed are used by the property owners for rear access to their properties and for parking. With the exception of two alleys; one with a dead-end and the other with a tree in the middle of the alley, the rest are bike-ped accessible. Seven alleys provided increased access to potential ADUs.

Alignment with City Council's Vision and Strategic Plan:

The proposed project aligns with the City Council Vision of - A Connected Community where citizens of all ages and incomes can easily navigate through their neighborhoods.

Community Engagement:

This is a report and there has not been any community engagement. However, Council can solicit comments from the public prior to approving the report and proposed changes.

Budgetary Impact:

Additional resources may be needed to undertake researching citywide alley inventory.

Recommendation:

Staff recommends that the City Council make a motion to:

1. Reaffirm that all alley acceptance or denial be approved by the City Council.
2. Approve proposed criteria for accepting or denying applications (attached).

It should be noted that this effort is not intended to sway any decisions regarding acceptance of an alley into the public street system. In fact, if it is desired to evaluate an alley for acceptance and future maintenance, a much more thorough analysis would need to be conducted to evaluate

the infrastructure needs and maintenance impacts of a specific alley. Such a process should also include an allocation of funding in order for the City to accept, to own and maintain a given alley.

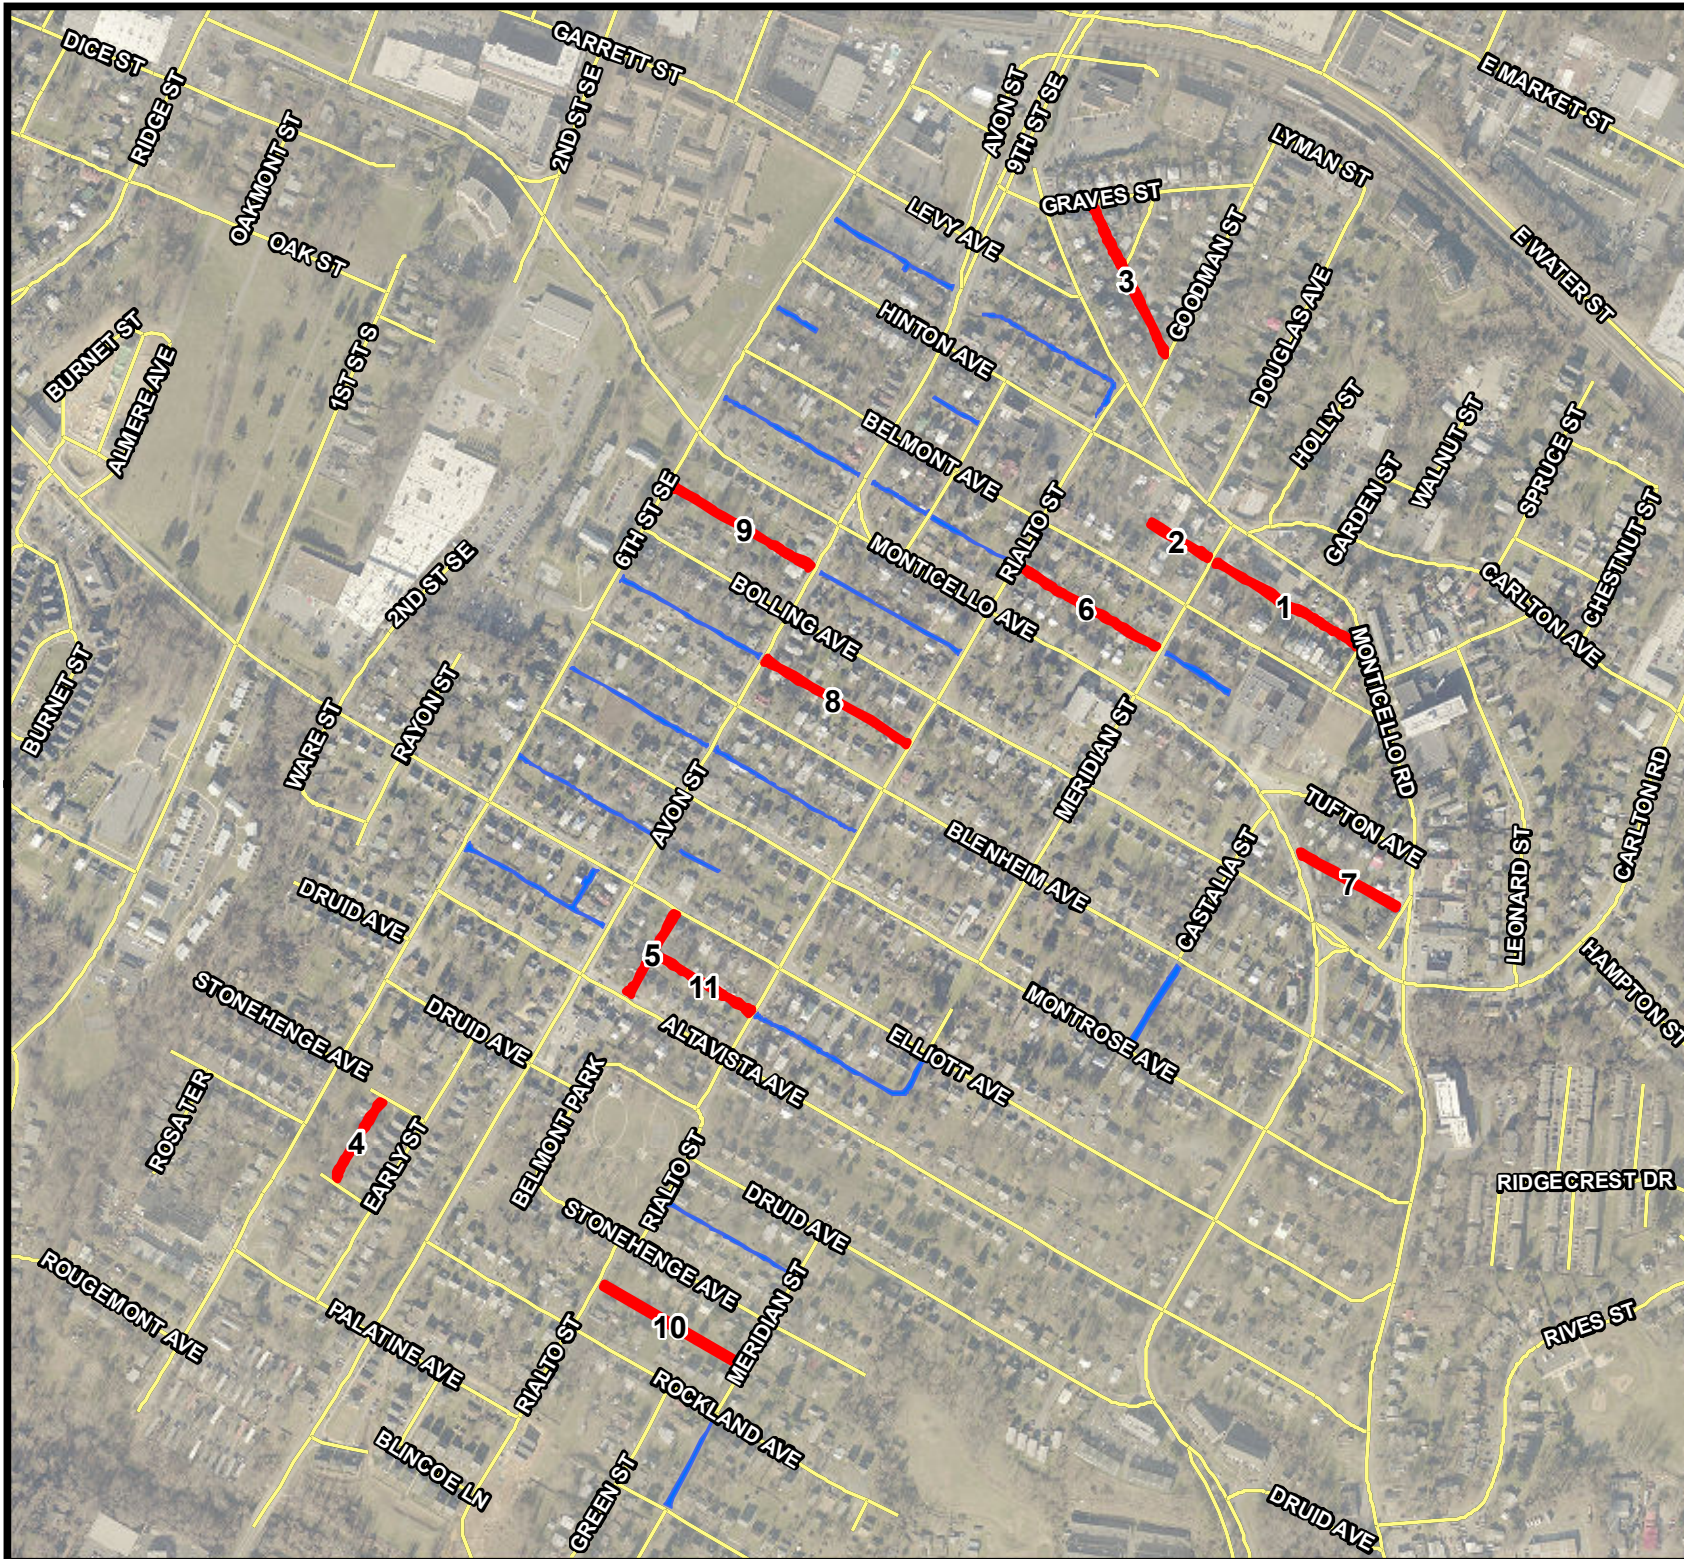

Alternatives:

The City Council may decide not to approve staff recommendations.
