 - a. Deputy City Attorney responds
 - The City Manager has the ultimate authority over actions taken by any City department.
 - 3. There are no timeframes associated with the enforcement process, so determinations could be delayed. Can timeframes be added and enforced?
 - a. OHR Staff responds
 - i. There are no timeframes specified in the Ordinance
 - OHR Staff must consider statutes of limitations, especially with employment cases, as they can affect the Complainants ability to file with the EEOC.
 - iii. May also affect other protected activities and ability

to file in General District Court

- iv. The OHR recently received feedback from the HUD Fair Housing Office on aspects of the Ordinance that require changes for substantial equivalence to federal fair housing law
 - The HUD attorney noted the absence of timeframes as something that needed to be amended should the OHR/HRC seek to become a FHAP
- b. Deputy City Attorney responds
 - i. Recent delays in the determination process are due to the absence of an HRC/OHR Director/Manager
 - ii. The responsibility thus falls to the City Manager, which is not the intended process
 - iii. Advocating that the HRC/OHR fill the Director/Manager and Deputy City Manager roles is advised
- 4. Is the statute of limitations tolled during the investigation of Title XII complaints?
 - a. OHR staff responds

 - b. Deputy City Attorney responds
 - i. OHR also advises Complainant of option to file with the EEOC, for applicable cases
 - c. OHR staff responds

 - The Values Act repealed a provision in the Virginia Human Rights Act that previously limited the OHR's jurisdiction in employment cases
- **5**. What is the process for adding timeframes into the Ordinance?
 - a. OHR staff responds
 - The HRC could consider voting to adopt further amendments to the Ordinance after Council has had the opportunity to review and approve the current set of adopted amendments
 - ii. Current adopted amendments are being reviewed by the City Attorney's Office, along with a memo to Council outlining the reasons for the amendments
 - b. Deputy City Attorney responds

 - 2. Transparency of the process and procedure should be considered
 - a. OHR staff responds
 - i. OHR documents could be make more publicly accessible through City website
 - ii. Currently public can find documents via Box.com link on HRC agendas
 - viii. Commissioner comment
 - 1. Drafting a resolution that contains the procedures is more

publicly accessible than embedding the procedures in the HRC Rules and Procedures

- ix. Commissioner comment
 - 1. Expresses concern that this is a resolution to craft a resolution
 - 2. Forming an ad hoc committee to write the procedural resolution would be a better use of time
 - a. OHR staff responds
 - i. HRC could move to adopt the existing resolution then appoint an ad hoc committee to develop the procedure
- x. Commissioner comment
 - 1. Previous draft of resolution contained a procedure
 - 2. Feels that the concerns about the previous draft stemmed from how it was created

 - 2. Re-cap of suggested revisions

- a. Add a clause that ad hoc committee would be formed to investigate
- b. Add a clause that includes three options for a course of action: do nothing, reprimand, or remove
- d. CITY TEMPORARY STAFFING DISCUSSION
 - i. Commissioner presents background as understood
 - 1. City has a practice of hiring temporary positions that in practice become more like permanent positions
 - 2. Result is that long-term employees who are in temporary positions cannot access benefits
 - Lyndele began a draft document with attached recent data from Human Resources pertaining to temporary employees
 - ii. Commissioner discussion
 - Discussion is about the general practice of temporary employment versus the recent actions taken by the City regarding temporary employees
 - 2. Recommendation might be for the City to clarify hiring categories
 - One issue is that people were taking on multiple temporary, seasonal, or part-time positions resulting in the equivalent workload of a full-time City employee
 - a. Some people are working in these positions with the intention of short-term employment
 - b. Some people are routinely combining jobs to create the equivalent of full-time, long-term employment
 - City should be aware of this situation and consider converting these positions to something with benefits
 - 4. How many people are working beyond the short term and not receiving benefits?
 - a. Clarify the number of people who are using multiple temporary positions as long-term employment
 - b. Make a distinction between others who may be only seeking short-term employment without benefits
 - 5. Commission's role may only be to recommend that the City look into this more deeply
 - a. Encourage the City to recognize when people are using multiple temporary/seasonal/part-time positions to equate to full-time, long-term employment
 - iii. Deputy City Attorney responds
 - 1. City already has a legal obligation to offer benefits to employees that reach a certain number of hours
 - 2. Parks and Recreation has 492 different positions classified by duration
 - a. Part-time, benefitted
 - b. Full-time, benefitted
 - i. Year-round positions
 - c. Seasonal (part-time and full-time)
 - i. Categorized depending on the duration of the

program tied to the position

- Qualification for benefits is a different issue than the type of position
- 4. City could move toward having fewer types of positions
 - For example, at present Parks and Recreation may have 492 positions available but on 150 people are employed to fill those positions
- 5. All employee hours are tracked
 - a. Depending on the hours worked, they may qualify for health insurance, retirement, or other benefits
 - b. Even if an employee works enough hours to qualify for benefits, they may still not be in a permanent position
- 6. Commission could do the following
 - a. Form a long-term committee to look at this issue
 - b. Consider how it attaches to the Commission's mission
- iv. Chair notes that classification is a hiring issue that existed prior to the pandemic
 - 1. This issue was raised most recently because employees were let go
 - a. Was this because of the pandemic closing different programs?
 - b. Was this because of shifts in departmental leadership?
- v. Deputy City Attorney responds
 - 1. This issue was raised in City Council because of the following
 - a. During the week of the start of the pandemic closures, of the 492 Parks and Recreation positions, 152 people were scheduled to work
 - b. City closed and 152 people could not work.
 - c. City paid all 152 employees from March through July even though they were not working
 - At the turn of the fiscal year
 - 30 to 40 people of the 152 were in customer service representative positions, which is a broad title that qualifies them to do a variety of tasks
 - They were asked to come back to work to do jobs that were not exactly same as the work they regularly did
 - ii. City stopped paying all other employees in temporary positions that were not customer service representatives
 - 1. Potential financial shortfall if kept paying
 - 2. No time in the near future when any of these programs would re-open
 - a. Many were summer programs
 - b. Pandemic only getting worse
 - 2. Separate question
 - a. Should the City move from having many part-time

positions to fewer full-time positions?

- vi. Commissioner responds
 - 1. City could also be mindful of what it means to be temporary and part-time
 - 2. City should consider equity of treatment during a pandemic, as it relates to part-time and temporary vs. full-time and permanent
 - a. For example: If City continues to pay full-time salaried employee who cannot fully do their job, then City could consider paying temporary/seasonal part-time employees
 - b. Looking into this might reveal whether City is treating people as expendable because of classification
 - c. Another example: Instead of laying people off during the pandemic, offer other work
- vii. Deputy City Attorney responds
 - 1. Not aware of any situation in which full-time, salaried employees were being paid while not working
 - a. Either continued to work on-site or remotely
 - 2. All temporary employee were offered the opportunity to enter into a customer service representative position, even if they were in a different position previously
 - a. For example: customer service representatives were employed to tasked with temperature checks
- viii. Commissioner discussion
 - 1. Commission could make a general request to Council to continue looking into this
 - a. This is not an issue that can be resolved by the Commission
 - b. Individual Commissioners can go to Council meetings as City residents and encourage Council to pursue this
 - . This is a complex Human Resources issue but does not present a clear issue of discrimination
 - Commission could request that the City examine the demographics of people who are employed in temporary vs. permanent positions
 - a. Could look for disparate impact on specific populations
 - b. Draft memo requests this information
 - 4. Commission does not have the capacity to evaluate the data
 - 5. Commission cannot make a call regarding why temporary employees chose not to accept offer of customer service positions
 - 6. Regarding the offer of customer service work
 - a. When was the opportunity offered?
 - b. How was the information passed to employees?
 - c. Were employees well informed about the resources attached to the opportunity?
- ix. Next steps
 - 1. Re-write memo to share Commission concerns and recommend that Council look into this further

a. Lyndele and Kathryn will collaborate

- e. OHR STAFF REPORT
 - i. Notes that written report is included in agenda packet
 - ii. All protected classes included in the Ordinance amendments adopted by the Commission are now included in the service provision data
 - iii. Case 2019-1

 - 1. Resolved with informal dialogue

Background:

City Council approved the current Charlottesville Human Rights Ordinance (Chapter 2, Article XV of the Code of the City of Charlottesville) on May 20, 2013. The Charlottesville Human Rights Commission (HRC) proposes several amendments to the Human Rights Ordinance (hereafter the Ordinance) for consideration and approval by City Council. The attached amendments mirror recent changes in state statutes, provide clarification regarding the investigation and issuance of findings pertaining to individual complaints of discrimination, and ensure that the Ordinance is better aligned with City Council's Vision and Strategic Plan.

Discussion:

During publicly noticed meetings in 2019 and 2020, the HRC considered public feedback regarding the effectiveness of the HRC and the Office of Human Rights (OHR). Specifically, there is concern about addressing individual complaints of discrimination and systemic issues of discrimination. At the regular meeting on July 16, 2020, the HRC Chair recommended the formation of an ad hoc committee to work with the City Attorney's Office and OHR staff to draft amendments to the Ordinance aimed at addressing some of the publicly raised concerns and recent changes in state law.

The ad hoc committee met with the City Attorney's Office and OHR staff on August 4, September 8, and October 6, 2020, to discuss and draft revised Ordinance language for presentation to the full HRC. The City Attorney's Office reviewed all draft Ordinance language for legality and alignment with state law, prior to presentation to the HRC for discussion. The ad hoc committee presented the draft Ordinance amendments to the HRC during the publicly noticed regular meetings on September 17, and October 15, 2020. During these meetings, the HRC discussed, and voted to adopt, the proposed amendments included in the attached copy of the Ordinance. OHR staff submitted the attached copy of the Ordinance, containing the amendments adopted by the HRC, for final review by

the City Attorney on October 30, 2020. If City Council approves the recommended revisions to the Ordinance, the HRC and OHR will develop a public outreach plan to raise awareness of the changes and how they might impact the local population.

Alignment with City Council's Vision and Strategic Plan:

The Ordinance amendments, adopted by the HRC and recommended to City Council for approval, align with Council's vision of the City as a leader in social justice and healthy race relations, and a City that is flexible and progressive in anticipating and responding to the needs of our citizens. Additionally, the adopted amendments align with the following Goals and Objectives within the Strategic Plan:

- Goal 1: Inclusive, Self-Sufficient Community
 - Objective 1.3: Increase affordable housing options
 - The amended Ordinance contains language that increases protections against housing discrimination, enabled by recent changes to the Virginia Fair Housing Law (Virginia Code Title 36, Chapter 5.1)
 - Relevant amended Ordinance sections

 - Sec. 2-437 (b) as to removal of referral to outside housing agency
 - Objective 1.5: Intentionally address issues of race and equity
 - The amended Ordinance contains language that increases protections against discrimination within all of the protected activities and protected classes, enabled by recent changes to the Virginia Human Rights Act (Virginia Code Title 2.2, Chapter 39), the Virginia Fair Housing Law (Virginia code Title 36, Chapter 5.1), and Virginia Code, Title 15.2, Chapter 9, §15.2-965.
 - Relevant amended Ordinance sections

 - o Sec. 2-437 (c)

 - o Sec. 2-439.1 (g)

Community Engagement:

While the adopted amendments to the Ordinance are a response to changes in state law, as well as general best practices with regard to procedures and language, the HRC did consider public feedback when making its recommendations. On March 9, 2020, the HRC received a copy of a letter sent to City Council and the City Manager from Mr. Walt Heinecke, and endorsed by several local social justice advocacy groups, outlining nine suggestions for the restructuring of the HRC and OHR. Mr. Heinecke also shared public comment regarding the letter of suggestions during HRC regular meetings on June 18, August 20, and September 17, 2020. As noted in the "Discussion" section, the HRC discussed feedback from the public relating to the Ordinance revisions at several of its regular meetings during 2019 and 2020. All regular meetings of the HRC are open to the public. OHR staff posts public notice of all regular meetings on the City website calendar. All of the agendas, agenda packets, and minutes are available to the public via the City website. A draft of the revised Ordinance, which includes all of the amendments adopted by the HRC, is included in the draft minutes of the HRC regular meeting on October 15, 2020, which are posted on the City website.

Budgetary Impact:

Council's approval of the amended Ordinance has no immediate fiscal impacts. The FY20 Budget includes funding for the current vacant position of OHR Manager/HRC Director. This position, if filled, would better equip the OHR and HRC to handle individual complaints of discrimination.

Recommendation:

The HRC recommends approval of the adopted amendments to the Human Rights Ordinance. OHR staff concurs with the HRC recommendation.

Alternatives:

If Council chooses not to approve the amendments to the Ordinance adopted by the HRC, the enforcement authority of the OHR and HRC will be less robust that what is allowable under current state laws that address illegal discrimination. As a result, citizens seeking assistance with

individual complaints of discrimination that would have been covered by the proposed amendments will necessarily be referred to other, potentially non-local, agencies.

The HRC respectfully requests a written response from Council detailing the reasons for the complete or partial disapproval of any of the proposed amendments so that it may attempt to revise the Ordinance language for future consideration by Council.

Attached please find a copy of the Charlottesville Human Rights Ordinance containing the amendments adopted by the HRC for recommendation to Council for approval.
