1. **CP19-00001: Comprehensive Plan Amendment – Future Land Use Map Amendment**- The Planning Commission and City Council will jointly conduct a public hearing on a proposed amendment to the 2013 Comprehensive Plan's Future Land Use Map. The Future Land Use map is provided for the purpose of guiding a coordinated, adjusted and harmonious development of the territory within the City limits, in accordance with present and probable future needs and resources. The purpose of this request is to evaluate approximately 1.6 acres of land identified within City tax records as Tax Map and Parcel (TMP) 17-18, TMP 17-18.1, TMP 17-18.2, TMP 17-184, TMP 17-185, and TMP 17-186 (collectively, "Subject Property"), which is the subject of a rezoning application (ZM19-00002) seeking to increase the intensity of uses as well as allowable density of residential uses. The Subject Properties have frontage on Maury Avenue and Stadium Road. The Comprehensive Plan Land Use Map for this area currently calls for Low Density Residential (15 Dwelling Units per Acres); the proposed ZM 19-00002 seeks to reclassify the Subject Properties to the R-3 zoning district classification, which would allow multifamily dwellings and a residential density of development of up to 21 DUA by right or 87 DUA by special use permit. The Comprehensive Plan Amendment is being evaluated by staff to see if it is appropriate to change the Future Land Use Map designation to High Density Residential (Over 15 Dwelling Units per Acres) based on existing patterns of development, probable patterns of development, and other factors. Information pertaining to this application may be viewed online at <http://www.charlottesville.org/departments-and-services/departments-h-z/neighborhood-development-services> or obtained from the Department of Neighborhood Development Services, 2nd Floor of City Hall, 610 East Main Street. Persons interested in this Comprehensive Plan Amendment request may
