

Work Session Date/Time

- June 29, 2021
- 5:30 PM, on Zoom
- Planning Commissioners and panelists received a meeting link. Other attendees can register to join [here](#).

Meeting Purpose

- This Planning Commission Work Session will be an opportunity for the Cville Plans Together Consultant Team to speak with Commission members about community input received (grouped into preliminary key themes) and potentially gather Commission input about approaches for addressing these comments.
- This will also be an opportunity for the Planning Commission to provide additional input on the draft Comprehensive Plan chapters and the Future Land Use Map.

Agenda

1. Opening Remarks from Chair Mitchell
2. Summary of May-June 2021 Engagement Activities
3. Preliminary Comment Themes
 - a. Draft Comprehensive Plan Chapters
 - b. Draft Future Land Use Map (FLUM)
4. Questions & Comments from Other Attendees
 - a. Up to 3 minutes per speaker
 - b. The timing for this item may shift
5. Planning Commission Discussion
6. Next Steps

Materials

- **The meeting presentation slides will be available [here](#) no later than 9am on June 23.**
- These slides include a preliminary, draft summary of input received. The Cville Plans Together team is continuing to analyze input received. While we do not anticipate that large-scale shifts will occur, we do assume that continued review may reveal some adjustments or additional themes for consideration.
- There will be a more detailed summary of community input refined and provided following this work session.
